JUST ANOTHER DAY. SEVEN CLASSES. FORTY-SIX MINUTES PER CLASS. FOUR MINUTES TO GET TO THE NEXT ONE. FORTY-FIVE MINUTES FOR LUNCH AND A TEN MINUTE BREAK BETWEEN SECOND AND THIRD PERIOD. FIVE DAYS A WEEK, 192 DAYS A YEAR.

YET NO TWO DAYS WERE EVER EXACTLY ALIKE. EACH CLASS HAD SOMETHING DIFFERENT TO OFFER. NEW LESSONS MEANT ANSWERS TO PROBLEMS YOU NEVER KNEW COULD EXIST. TEACHERS TRYING TO FILL BRAIN CELLS ALREADY RUNNING ON OVERLOAD MADE FOR MORE THAN JUST ANOTHER EXPERIENCE. IT WAS AN ADVENTURE.

IT MAY NOT BE EASY TO REMEMBER WHAT WE LEARNED IN THOSE HOURS SPENT IN SCHOOL, BUT WE MUST HAVE LEARNED SOMETHING. AFTER ALL, WE WERE THERE THIS YEAR FOR MORE THAN 1,250 HOURS.

AMERICAN REPORTER NICHOLAS DANIELLOFF WHO WAS ACCUSED, AND HELD BY THE SOVIET UNION OF SPYING FOR THE U.S. WAS RELEASED MONDAY, SEPTEMBER 29, 1986. HEADED FOR GERMANY, THE RELEASE SIGNALLED THE APPARENT END OF A MONTH LONG DIPLOMATIC SHOWDOWN THAT THREATENED TO WRECK SUPERPOWER RELATIONS.

A 10-DAY SIEGE OF TERRORIST BOMBINGS IN PARIS TURNS THE CITY OF LIGHT INTO A CITY OF FEAR. SINCE THE BEGINNING OF SEPTEMBER, A WAVE OF BOMBINGS IN THE HEART OF PARIS HAS KILLED 8 PEOPLE AND INJURED MORE THAN 150. THE FIRST FATAL EXPLOSION OCCURRED ON SEPTEMBER 8 AND WENT ON UNTIL SEPTEMBER 17. THE OUTRAGE IN PARIS JOLTED THE FRENCH TOURIST INDUSTRY. IN ADDITION TO WORRYING ABOUT BOMBS, FOREIGNERS MUST DEAL WITH THE NEW FRENCH ENTRY RULES REQUIRING THEM TO OBTAIN VISAS TO VISIT THE COUNTRY.

WORLD SERIES

THE METS SURPRISED THE WORLD BY UPSETTING THE BOSTON RED SOX IN SEVEN GAMES. GAME SIX COULD EASILY GO DOWN INTO HISTORY AS ONE OF THE WORLD SERIES MOST MEMORABLE. THE METS MADE A COMEBACK IN THE BOTTOM OF THE NINTH THAT SENT THE SERIES INTO ANOTHER MATCH UP. SUMMING UP THE SEVENTH GAME, THE METS DECIDED THAT THEY WANTED THE CHAMPIONSHIP BAD ENOUGH TO TAKE THE SERIES IN AN IMPRESSIVE 8-5 VICTORY. RAY KNIGHT TOOK HOME THE MVP HONORS.

PRESIDENT REAGAN AND SOVIET LEADER MIKHAIL GORBACHEV MET IN REYKJAVIC, ICELAND, OCTOBER 10, 1986 FOR A SUMMIT TALK ON ELIMINATING ALL OFFENSIVE NUCLEAR WEAPONS IN BOTH SUPERPOWER ARSENALS. THEIR TWO-DAY MEETING COLLAPSED BECAUSE THEY COULD NOT RESOLVE THEIR DIFFERENCES OVER THE U.S. STRATEGIC DEFENSE INITIATIVE OF REAGAN'S STAR WARS PROGRAM. BOTH PRESIDENT REAGAN AND GORBACHEV EXPRESSED DEEP DISAPPOINTMENT ABOUT NOT COMING TO A DECISION ON THE ARMS CONTROL DECISION.

AUSTRIAN PRESIDENT KURT WALDHEIM ENDED MONTHS OF DENIAL BY ACKNOWLEDGING THAT HE PLAYED A ROLE IN A BRUTAL NAZI "PACIFICATION" IN YUGOSLAVIA. WALDHEIM PREVIOUSLY DENIED ANY INVOLVEMENT IN THE 1942 OPERATION, STAGED TO REMOVE ALL 80,000 RESIDENTS. WALDHEIM SERVED AS A SUPPLY OFFICER. HE WAS INCLUDED IN THE OPERATION, BUT HE WASN'T IN THE FIGHTING TROOPS. IT WAS QUOTED THAT WALDHEIM NEVER TOOK PHYSICAL ACTION AGAINST THE JEWS OR PARTISANS.

ASTORIA SCHOOL LEADER SUPERINTENDENT JACK MCRAE ANNOUNCED HIS RESIGNATION AFTER 32 YEARS AS A EDUCATOR TO JOIN A FAMILY BUSINESS IN TILLAMOOK COUNTY. MCRAE REGRETS LEAVING, BUT "THE PRESSURES FACING A SUPERINTENDENT ARE GETTING TOO TOUGH, AND YOU TAKE ALL OF THE BLAME IF SOMETHING GOES WRONG. BESIDES, THE FAMILY NEEDS HELP NOW." MCRAE WILL BE WORKING IN HIS FAMILY'S WOOD PRODUCT MANUFACTURING FIRM. MCRAE LEFT ON JUNE 30, 1987.

THE VOYAGER STARTED AS A DREAM IN A CALIFORNIA CAFE. DICK AND BURT RUTAN, ALONG WITH JEANA YEAGER QUICKLY BUILT THAT DREAM INTO A REALITY. NEVER BEFORE HAD ANYONE FLOWN AN AIRPLANE AROUND THE WORLD WITHOUT RE-FUELING. DURING THE TAKE-OFF A TOTAL OF 34 INCHES WAS SHEARED OFF OF THE WINGS. THEY SOON DISCOVERED THAT THE VOYAGER WAS STILL SAFE FOR FLIGHT. THE TWO PILOTS WERE CRAMPED INTO A CABIN TWO FEET LONG. THE VOYAGER TRAVELED ON AN AVERAGE OF 110 M.P.H.

REAGAN ADMITTED TO SENDING ARMS WORTH HUNDREDS OF THOUSANDS OF DOLLARS TO IRAN. EVEN THOUGH HOSTAGES WERE RELEASED, REAGAN STATED THAT THAT WAS NOT THE REASON BEHIND THE SHIPMENTS. HE WAS LATER QUOTED AS SAYING, "UNDER NO CIRCUMSTANCES WILL WE PAY RANSOM FOR HOSTAGES." SEVERAL GOVERNMENT OFFICIALS HAVE BEEN FIRED, OR ARE UP FOR QUESTIONING. MANY OF THEIR SECRETARIES AND AIDS ARE BEING OFFERED LEGAL IMMUNITY FOR INFORMATION AND DOCUMENTS ON THE DEALINGS.

PRESIDENT REAGAN BESTOWED PRESIDENTIAL MEDALS FOR ACHIEVEMENT ON THE PILOTS AND DESIGNER OF THE GLOBE-CIRCLING VOYAGER. MR. REAGAN WAS QUOTED SAYING THAT THEIR SAFE LANDING WAS "JUST ABOUT THE BEST CHRISTMAS PRESENT AMERICA COULD HAVE." ALL THREE NAMES WILL BE ADDED TO THE COLUMN HEADED "THE RIGHT STUFF".

SHIITE MOSLEM KIDNAPPERS FREED FRENCH HOSTAGE AUREL CORNEA ON CHRISTMAS EVE. CORNEA, AGE 54, WAS KIDNAPPED NEARLY TEN MONTHS EARLIER BY THE HOSTILE MOSLEMS. THIS WAS A SIGNIFICANT GESTURE ON THE PART OF THE MOSLEMS WHO HAD TAKEN THE FRENCHMAN IN AN ATTEMPT TO TRADE FOR PRISONERS BEING HELD BY ISRAELI AUTHORITIES. CORNEA WAS MET BY REPORTERS AND THEIR CAMERAMEN AFTER BEING DROPPED OFF IN FRONT OF HIS EMBASSY.

JAN. 28, 1987. ONE YEAR AGO FROM THIS DATE AN EXPLOSION SHOOK AMERICA. WE ARE STILL AFFECTED BY IT. CHRISTA McAULIFFE WENT TO CAPE CANAVERAL FULL OF EXCITEMENT FOR WHAT SHE CALLED 'THE ULTIMATE FIELD TRIP.' "I JUST HOPE THAT EVERYONE WATCHES AND SEES A TEACHER TEACHING IN SPACE," SHE SAID. BUT INSTEAD OF THE FLIGHT OF THE CHALLENGER THAT MILLIONS TUNED INTO, IT WAS A EULOGY BEING DELIVERED BY PRESIDENT REAGAN. THE ONLY ASPECT THAT REALLY MADE THIS MISSION STAND OUT WAS THE FACT THAT A CIVILIAN TEACHER WAS ON BOARD. THE TRAGEDY OF THE SHUTTLE WILL ALWAYS BE REMEMBERED.

THE NATION CHEERED AND GROANED AS THE NEW YORK GIANTS WON THEIR FIRST NFL CHAMPIONSHIP SINCE 1956. THEY OWED THE 39-20 VICTORY TO ONE MAN, THE QUARTERBACK, PHIL SIMMS. THE GIANTS HIT A NEW SUPERBOWL RECORD OF TEN STRAIGHT PASSES, WAS QUOTED AS BEING "CLOSE TO PERFECT." SIMMS TOOK THE GIANTS 78 YARDS IN NINE PLAYS. PHIL McCONKEY WAS QUOTED AS SAYING, "YOU THINK ABOUT THIS YOUR WHOLE LIFE. EVERY PUSH-UP YOU DO, EVERY GAME YOU PLAY, EVERY CATCH YOU MAKE, IT'S ALL FOR A GOAL-TO BE THE BEST." THE GAME WAS AN ACCUMULATION OF THE GIANTS GREATEST SEASON IN THREE DECADES.

COLLEGE BOUND SENIORS IN OREGON WHO TOOK THE SAT TESTS LAST YEAR RANKED NO. 2 IN THE NATION FOR THE SECOND STRAIGHT YEAR. THE AVERAGE COMBINED SAT SCORE WAS 930 POINTS FOR THE 46% OF OREGON SENIORS. ONLY NEW HAMPSHIRE HAD A HIGHER AVERAGE. LARRY AUSTIN, SPOKESMAN FOR THE OREGON DEPT. OF EDUCATION, SAID THE SCORES WILL HELP COUNTER RECENT PUBLICITY FOR SCHOOL CLOSURES AND BUDGET PROBLEMS. THIS YEAR WAS THE THIRD YEAR IN A ROW THAT OREGON PLACED AMONG THE TOP THREE STATES IN SAT SCORES. "THIS YEARS INCREASE, ON TOP OF THE '85 JUMP, IS THE ICING ON THE CAKE," SAID VERN DUNCAN.

LIBERACE, THE GLITTERING SHOWMAN AND PIANIST DIED QUIETLY AT HOME. HE WAS 67. HE WAS TITLED "MR. SHOWMANSHIP" BY HIS FANS DUE TO HIS EXTRAVAGANT COSTUMES, JEWELRY, AND STAGE SHOWS. LIBERACE HAD BEEN GRAVELY ILL FOR WEEKS, AND HAD QUIETLY SLIPPED INTO A COMA. DR. RONALD DANIELS STATED HIS DEATH AS A CARDIAC ARREST DUE TO CONGESTIVE HEART FAILURE BROUGHT ON BY SUBACUTE ENCEPHALOPATHY. IT WAS LATER FOUND THAT LIBERACE DIED OF AIDS, AND DR. DANIELS WILL GO BEFORE THE MEDICAL EXAMINERS TO FACE CHARGES OF FRAUD.

THE 14 1/2 HR. SERIES CALLED AMERIKA BROUGHT MUCH CONTROVERSY WITH ITS SUBJECT. IT DEALT WITH LIVING LIFE IN AMERICA TEN YEARS AFTER SOVIET TAKEOVERS. PROTESTORS STATED THAT ABC WAS TRYING TO START WORLD WAR III. WHILE SUPPORTERS SAID THAT AMERICANS SHOULD WATCH TO REALIZE THAT THE THREAT OF A SOVIET OVERTHROW IS REAL. AMERIKA POINTED OUT THAT THE TASK OF SHAPING THE FUTURE IS NOT THE EXCLUSIVE RESPONSIBILITY OF THE GOVERNMENT, INDUSTRY, MEDIA, BUSINESS, OR THE MILITARY. IT IS THE OBLIGATION OF ALL CITIZENS.

A YOUNG KILLER WHALE WAS FOUND DEAD AMONG THE WRECKAGE OF THE PETER IREDALE AT FT. STEVENS STATE PARK. IT WAS A RARE FIND. HE WAS A YOUNG SUCKLING MALE, PROBABLY ABOUT SIX MONTHS OLD. A CREW TRIED TO DISLodge THE WHALE, BUT WAS DEFEATED BY RISING TIDES AND ACCUMULATING SAND, SO THEY JUST TOOK THE TAIL. NO ONE KNEW HOW THE WHALE GOT CAUGHT, HE MIGHT HAVE TRIED TO SWIM THROUGH OR DIED AND DRIFTED INTO THE WRECKAGE. EVENTUALLY THE WHALE'S SKELETON WILL BE REASSEMBLED AND PUT ON DISPLAY AT PSU'S MUSEUM OF BIOLOGY.

A DOUBLE BARRELED BLIZZARD LEFT HUNDREDS OF STRANDED TRAVELERS BURIED IN UP TO EIGHT FEET OF SNOW IN THE MIDWEST. NATIONAL GUARDSMEN HAD TO AIRLIFT FEED TO STARVING LIVESTOCK. HUNDREDS OF MILES OF INTERSTATE HIGHWAY REMAINED SHUT. FARMERS AROUND THE NATIONAL MIDSECTION BRACED THEMSELVES FOR A CROP KILLING FREEZE AS WARNINGS WERE SENT OUT FOR BELOW 20 DEGREE WEATHER.

THE ANNUAL ACADEMY AWARDS HELD VERY FEW SURPRISES AS HOLLYWOOD HONORED THE BEST OF THE SEASONS MOVIES. ON TOP AS THE BEST MOVIE OF THE YEAR WAS "PLATOON". THIS FILM SHOWED THE REAL LIFE DRAMA BEHIND THE VIETNAM CONFLICT OF THE 70'S. OLIVER STONE DIRECTED THE FILM AND WAS GIVEN THE BEST DIRECTOR AWARD. PAUL NEWMAN, WHO HAD BEEN NOMINATED SEVEN PREVIOUS YEARS, WON THE BEST ACTOR AWARD. MARLEE MATLIN RAN AWAY WITH BEST ACTRESS FOR HER PERFORMANCE IN "CHILDREN OF A LESSER GOD."

CHEERED BY HUNDREDS OF SPECTATORS AND ESCORTED BY A DOZEN OR SO BOATS, THE EAERLY AWAITED GOLDEN HINDE SAILED INTO ASTORIA AMID SUNNY SKIES AND CANNON FIRE. AFTER CRUISING FOR A WHILE, THE AUTHENTIC REPLICA OF SIR FRANCIS DRAKE'S VESSEL DOCKED AT THE 16TH STREET PIER. THE SHIP WAS MET BY MANY CITY OFFICIALS. THE GOLDEN HINDE RAN TOURS DAILY DESCRIBING THE LIVES OF THE CREW AND OFFICERS, INCLUDING THEIR POOR DIETS AND CRAMPED SLEEPING QUARTERS. THE GOLDEN HINDE LEFT AFTER A FIVE DAY STAY IN WHICH MORE THAN 100 PEOPLE CROWDED THE PIER TO WATCH THE DEPARTURE OF THE 16TH CENTURY REPLICA.

A FIRE WIPE OUT A TURN-OF-THE-CENTURY APARTMENT HOUSE IN THE UNION TOWN AREA. THE BLAZE LEFT NINE RESIDENTS HOMELESS. THE RED CROSS HAS FOUND ALL OF THEM PERMANENT HOUSING, AND HAS GIVEN VOUCHERS VALUED AT NEARLY \$1900. RECIPIENTS MAY USE THE VOUCHERS FOR CLOTHES, FOOD, SHELTER, AND UTILITY FEES. THERE WERE NO CLUES AS TO THE CAUSE OF THE FIRE.

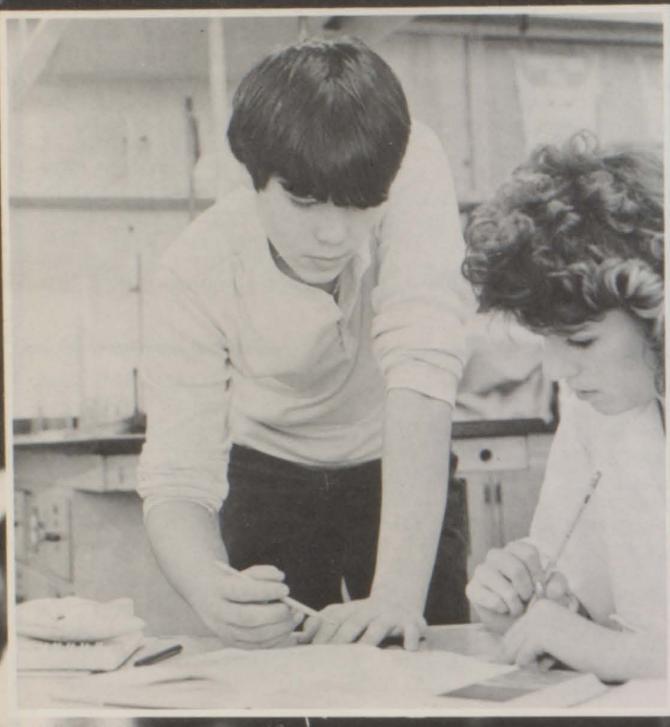

IN PORTLAND, A TWENTY-ONE MONTH OLD BOY BECAME THE YOUNGEST HEART TRANSPLANT RECIPIENT IN THE STATE OF OREGON. THE OPERATION TOOK PLACE AT THE OREGON HEALTH SCIENCE UNIVERSITY.

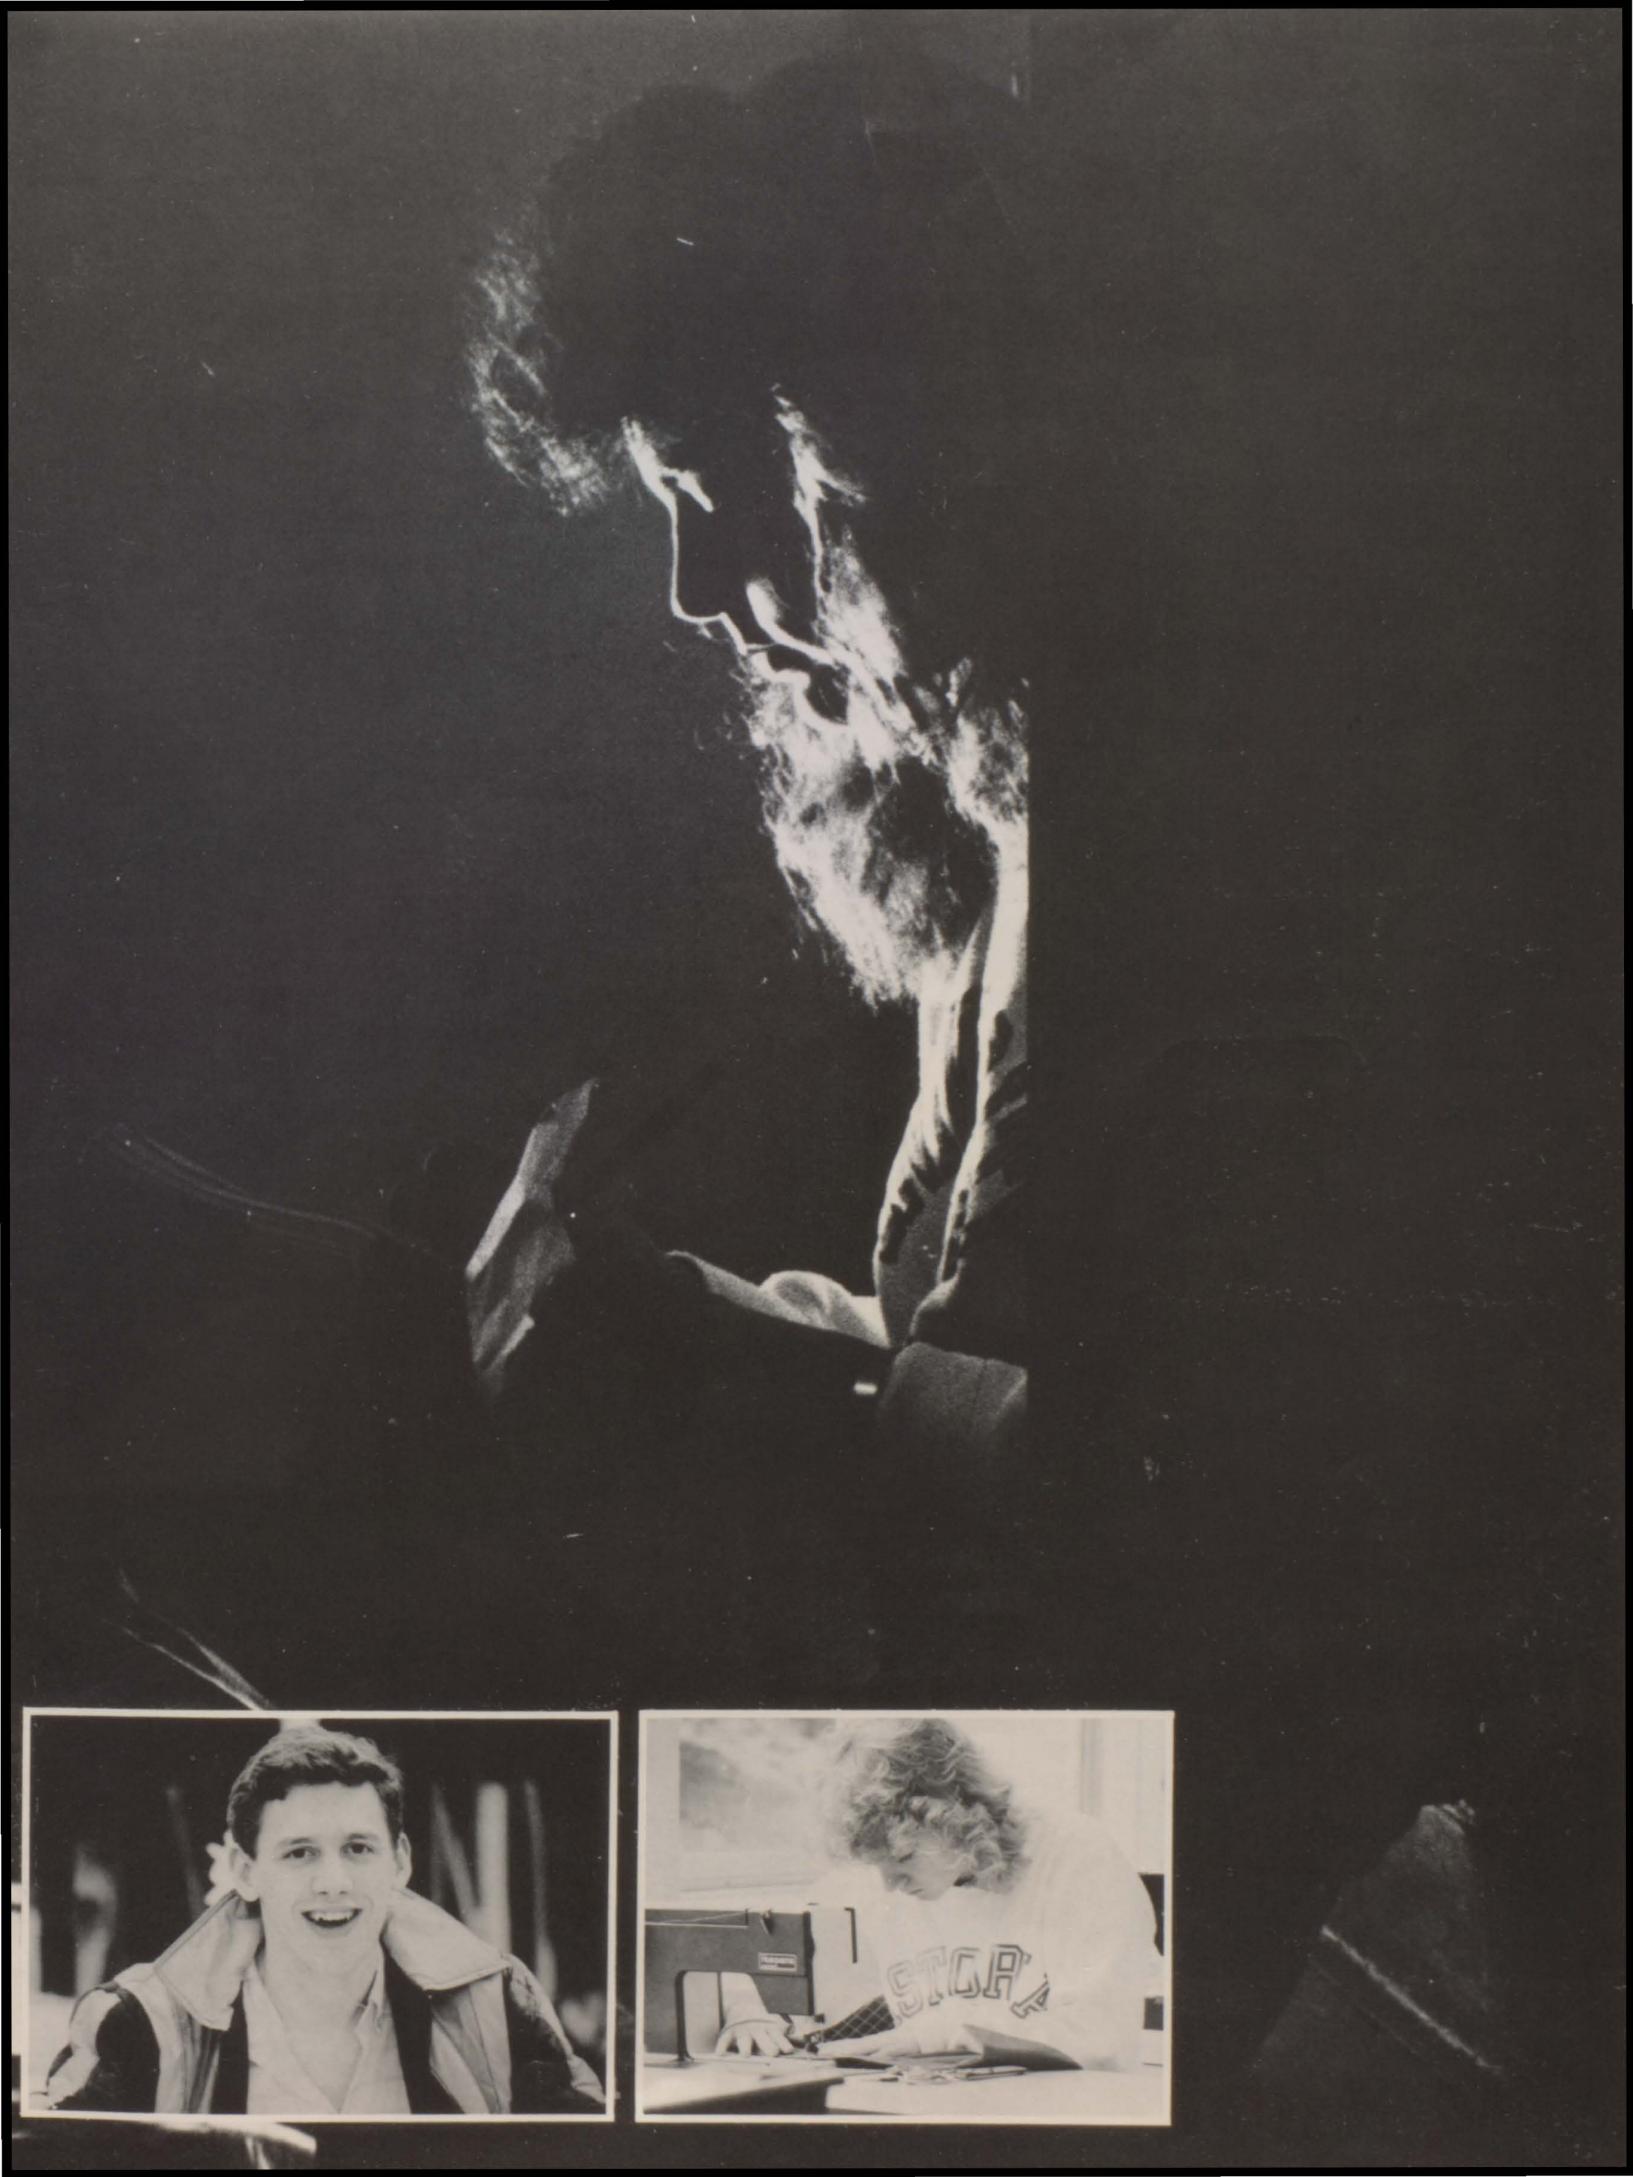

OTHER MEDICAL NEWS OF THE YEAR HAD TO BE THE INCREASING AWARENESS OF THE AIDS EPIDEMIC. WORLD WIDE EDUCATION OF THE VIRUS THAT IS LEAVING THOUSANDS DEAD EVERY YEAR, HAS MADE THE PUBLIC INFORMED OF THE SERIOUSNESS OF PREVENTION. STILL NO CURE HAS BEEN FOUND, BUT MEDICAL RESEARCHERS REMAIN OPTIMISTIC.

RITA HAYWORTH, THE DANCERS DAUGHTER WHO MARRIED A PRINCE AND BECAME HOLLYWOOD'S 'LOVE GODDESS' IN THE 1940'S AND 1950'S DIED AT THE AGE OF 68. MISS HAYWORTH SUFFERED FROM ALZHEIMERS DISEASE. FOR SEVERAL YEARS SHE HAD BEEN MISDIAGNOSED AS AN ALCOHOLIC. SHE WAS KNOWN FOR HER PIN UP AS SHE WAS LEANING ON A BED IN HER NEGLEE. HER PICTURE WAS ON THE FIRST ATOMIC BOMB, AND SHE DANCED WITH GENE KELLY, AND FRED ASTAIRe.

SIX MONTHS AFTER THE UNITED STATES SENT ARMS TO IRAN, THE COUNTRY IS STILL IN TURMOIL. NO REAL ANSWERS HAVE BEEN FOUND EXCEPT THAT PRESIDENT REAGAN HAD SOME KNOWLEDGE OF WHAT WAS HAPPENING. ONE HOUSEWIFE TESTIFIED THAT REAGAN PROMISED HER THAT HER CONTRIBUTIONS TO THE ARMS DEAL WOULD BE TAX DEDUCTABLE. MANY OF THE LEADING GOVERNMENT OFFICIALS HAVE BEEN PUT ON TRIAL AND HAVE TESTIFIED THAT REAGAN HAD A PART, WHICH HE DENIED COUNTLESS TIMES BEFORE. THE TRIALS CONTINUE AS THE COUNTRY WAITS FOR AN ANSWER.

THE USS STARK WAS ATTACKED BY AN IRAQI WARPLANE. IT WAS THE FIRST ATTACK ON AN AMERICAN WARSHIP IN THE NEARLY SEVEN YEAR OLD IRAN-IRAQ WAR. THE PENTAGON SAID THAT THE SHIP HAD AT LEAST ONE MINUTES WARNING, BUT DID NOT TRY TO SHOOT DOWN THE MISSILES OR THE PLANE. THE SHOOTING KILLED 34, AND WOUNDED 21 AMERICAN SOLDIERS. PRESIDENT REAGAN EXPRESSED HIS ANGER AND CONCERN OVER THE SHOOTING. NO ONE KNOWS WHY THE ATTACK HAPPENED. A JOINT CHIEF OF STAFF MEMBER WAS QUOTED AS SAYING, "WE WERE CLEARLY OPERATING IN INTERNATIONAL WATERS, WE DID NOT EXPECT ANY HOSTILE INTENT."

Fish-A-Thon

For the past four years the aquaculture class has held a Fish-A-Thon for the special kids of the area. The school supplies the poles, bait, pop, and the fish! Busloads of excited faces keep coming all day. With the help of students from the class the kids catch their own fish, watch it being cleaned, receive a certificate stating the length and weight, plus get to take the fish home.

The chairman of the program this year was Steve Hauke. When asked of his feelings toward the program Steve stated, "I think the Fish-A-Thon is a great idea. And even though it's not a true fishing experience to catch fish in our hatchery pond, it's still really special, because for them to fish in our pond is like for me to fish at a secluded lake up in the mountains. The program provides for them the opportunity of catching a fish. It leaves you with such a good feeling to see smiles on their faces; seeing it puts a smile on my face too. During the past two years I have been involved in the program, I have had a lot of fun, and I hope it continues."

Senior Garth Gale said, "I'm really happy to be involved with this program because it's really nice to see kids that people usually don't get to know, open up and have so much fun. It makes me feel good to see them so happy."

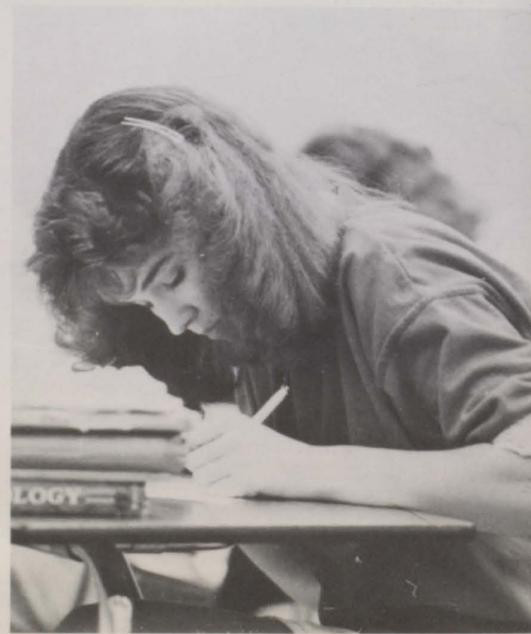

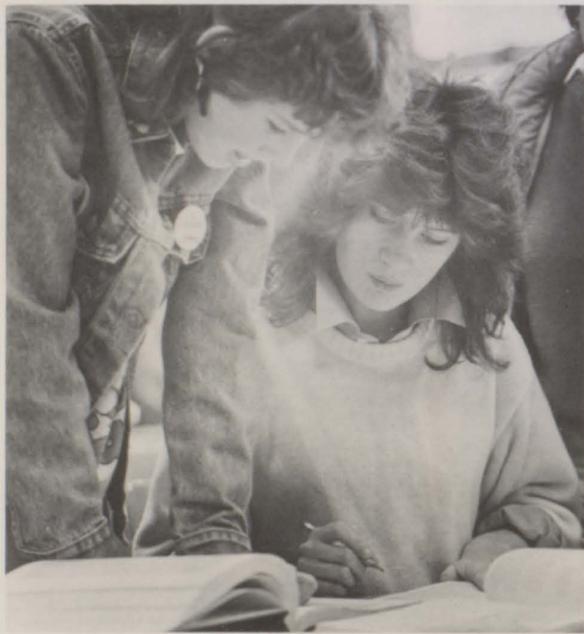

The Fish-A-Thon is an experience for everyone involved. It's a day full of fun, excitement, sharing, and expressions of joy that are priceless. A special tradition was started four years ago and will continue for many years to come.

NEW FACES IN CHARGE

THIS YEAR TWO NEW FACES FILLED THE POSITIONS OF PRINCIPAL AND VICE-PRINCIPAL. ALTHOUGH HE WAS NOT NEW TO THE SCHOOL, MR. PARRISH WAS APPOINTED TO RUN THE SCHOOL IN ITS' TOP POSITION.

WHEN ASKED HIS FEELINGS ON THE 1986-87 SCHOOLYEAR, MR. PARRISH SAID HE FELT THE YEAR HAD RUN VERY WELL. THE MAIN GOAL WAS TO ALLOW THE STAFF AND STUDENTS TO HAVE INPUT INTO THE SCHOOL'S OPERATION. MR. PARRISH COMMENTED, "I FELT WE BECAME THE STRONGEST IN THESE THREE AREAS: 1. OPPORTUNITY FOR INPUT; 2. SCHOOL CHANGE; AND 3. MORE CARING BETWEEN THE STAFF AND STUDENTS." HE ALSO NOTED, "WE ACCOMPLISHED A LOT. THIS CREATED A BETTER SITUATION FOR EVERYONE."

IN ADDITION TO A NEW MAN AT THE HELM, A NEW FIRST MATE WAS ALSO CHOSEN FOR THIS YEAR. MAKING HIS FIRST ADMINISTRATIVE APPEARANCE, MR. SCHWEIGERT BECAME THE VICE-PRINCIPAL REPLACING MR. PARRISH. WHEN ASKED ABOUT THE POSITION CHANGE, MR. SCHWEIGERT COMMENTED, "I FELT VERY WELCOMED BY THE STAFF AND STUDENTS." TRADITIONALLY THE VICE-PRINCIPAL IS IN CHARGE OF DISCIPLINE, BUT MR. SCHWEIGERT DOESN'T ENJOYED BEING THE HARD GUY. HE TRIES TO FIND POSITIVE WAYS TO DEAL WITH STUDENTS TO LET THEM KNOW HE IS CONCERNED. REFLECTING ABOUT THE 1986-87 SCHOOL YEAR, HE FELT THE STUDENTS WERE TAKING ON MORE RESPONSIBILITY. HE FELT WHEN MORE STUDENTS HELP RUN THING, THE BETTER THE SCHOOL WOULD BE.

The role of the counselor at AHS has become one that has many different responsibilities. Along with the need to inform students concerning graduation requirements, the counselor deals with students with personal problems, forecasting for classes, and provides communication between parents and teachers.

This year a new concern has brought another challenge to the counseling department. The nation and President Reagan have called to attention the need to reduce the problem of drugs in the country as well as the schools. A program to help students that are having problems with drugs is being looked at and put into motion. The counselors act to help these students deal with their problem and overcome it. Mr. Pollard provides a very important role to those Seniors that have plans for school beyond high school. In constant communication with college requirements and financial aid sources, he put many plans for the future in their proper perspectives and gave many Seniors hope for career opportunities.

WEEK'S EVENTS HIGHLIGHTED

The fog settled in before kickoff. Forgotten plays, grumblings in the huddle, bruises in places where they didn't belong, and plays that made no sense at all. Confusion made the fog seem even thicker.

Despite poor visibility, the frosh and sophs played an active opening quarter. Inexperienced tennis shoes slid from goal post to goal post. In the battle of the underclassmen, tempers raged, harsh words were exchanged, a little bit of the game of football was recognized, and the sophomores won.

The main event between the Seniors and Juniors was worth every cent of the free admission. Attack the football, or anyone that resembles one. After minor repairs to broken nails and halftime speeches, the game ended deadlocked, 0-0.

"We're Number One!" Walking into the gym for the Olympics was a little taste of stereo at its finest. Loud and almost offending. Every class believed those three words with a vengeance. The mood was set for the Olympics. Anticipation, participation, and determination were at their peaks as the games began. New events like the bat spin complimented such classics as the tug of war and the Lifesaver pass. Although no major injuries occurred, several centipede participants had bruised knees for days. Arms of six people stretched unmercifully around 100+ students in the roundup. All knew, not thought, but knew, their grade was the best. "We're Number One!" The debate continues.

From signed shirts to Copenhagen, leis to plaid pants, class unity day was one of the highlights of Homecoming week. "Class of 87", "We're the best", and various sentimental messages were scrawled on the seniors white tee shirts. By the end of the day it was hard to see that the shirts were white. The juniors wore scummy Lee jeans, flannel shirts, hats, and other "carp attire." The clothes set the mood for the juniors to act obnoxious and have an overall great time. The rain didn't keep the sophomores from the bold flowered prints of Bermuda shorts and Hawaiian shirts. Encouraging everyone to "Get lei'd Hawaiian style" the class of 89 stayed in the party mode. The Freshmen chose to dress in plaid, although few did. Better luck next year kids.

Murphy's Law: Everything that can go wrong, will go wrong. This could have been the theme to the Queen's coronation and luncheon. A stunning slideshow of our Homecoming princesses and Queen had been planned. Just as Master of Ceremonies Tim Hatt was announcing the much anticipated slide show, a distraught Shawn Helligso leaped to the stage with the distressing news. The slides were laying in a pile on the floor. Although the coronation didn't go quite as planned, our Queen and her court made the coronation a special one.

At the Queen's luncheon, Murphy's Law struck again. Mr. Foster repeatedly warned those sitting at the Queen's table of the small amount of space between their chairs and the edge of the platform. Busily giving this wise warning, Mr. Foster apparently forgot to take it himself and tumbled backwards to the floor in a dramatic fashion. Fortunately Mr. Foster recovered quickly and was able to enjoy his lunch. The 1986 coronation and luncheon wasn't perfect, but will be remembered by everyone, especially Shawn Helligso.

The Varsity football team lost their Homecoming game to the Tillamook Cheesemakers 19-12. This sounds depressing, but those who made it to the game know of the Fishermen's outstanding performance. Erron Viuhkola connected with Greg Mathews on a sensational 47 yard touchdown pass. Another great performance came from Corey Warner who gained 101 yards on five carriers. Warner scored and 85 yard run. These and other action-packed plays ended the season on a hopeful note. The final event of the week remained. The Homecoming dance. Although the DJ was lacking the dance's theme song "Heaven in Your Eyes," the music kept everybody's feet moving all night. High Heels scattered across the dance floor provided comfort for those who took them off, and pain for those who stepped on them. A cloud or a star with the names of each couple were hung on the wall. Most of the couples kept their cloud or star, along with balloons, streamers, and precious memories of Homecoming, 86.

JODY MARINCOVICH CROWNED QUEEN

 Being chosen queen over all homecoming activities is a little like being sent to the head of the class. The honor is greatly appreciated, but the attention is a little overwhelming at times. "I was almost in a state of shock when Tim announced the Queen," reflected a radiant Jody, "it was something I never even would have guessed."

Since as early as she could remember, Jody had wanted to be a queen. Barbie dolls in formal wear, Ken at her side, she would

play for hours with the idea of standing in their size $\frac{1}{4}$ shoes. It was only fair that her chance should come some day.

One day her chance did come to nobody's surprise but her own. All who know Jody are touched by her unrelenting niceness, cheerfullness, and spontinity. Cheeks held high, she always has a smile for everyone. She could easily be a substitute for the smiley face that says "Have a good day." As queen, Jody was the perfect choice for the week of fun.

Making a return appearance after many years of absence, AHS held a carnival of fun and games. Sponsored by the Orchestra and Strings, the event which was held in the gym, had a wide variety of booths. Each booth was run by different clubs from the school. The primary objective of the carnival was to raise money for the clubs and to give the student body a chance to enjoy themselves.

Although the carnival didn't set any attendance records, the people that attended had opportunities at winning small but significant prizes. Among the booth highlights were, a dunk tank, face painting, fishing for prizes, basketball shoot, Astro Bounce, darts, cake walk, and a good old fashion jail.

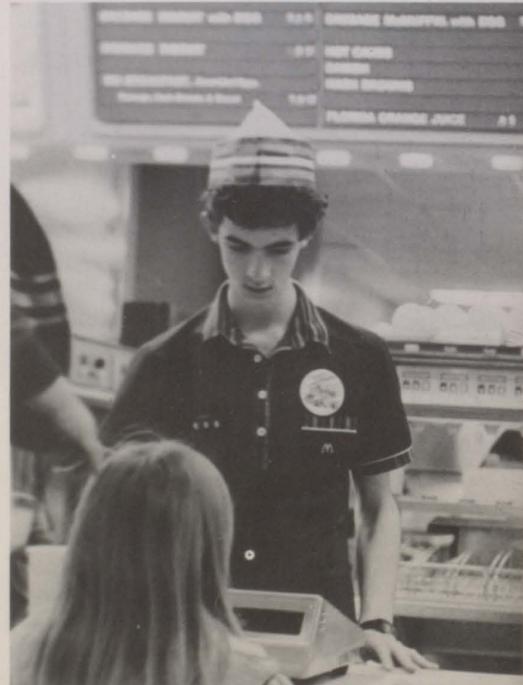

TAKING IT TO THE BANK

To work or not to work? This is the question many teens ask themselves as they weight the options of extra cash. Sure, you'd think that money would be enough of an incentive, but there are many sacrifices along the social front. Some have to give up athletics, others, a high grade point, or something else that matters to them. But those who work have to admit the toilsome hours spent working were worthwhile when it comes time to go to the bank.

While many high school students decided to work for money, there were a

few that chose to do so for the experience and the opportunity of career advancement. Though they may not admit it, there are some that actually enjoy the jobs they held during high school. Some liked them so well that they can be found there for many years to come.

Most of the jobs that we held were definitely temporary. From pumping gas to washing toilet seats, work in high school was just a way to pass the time and make a little money. And what is there to prove for it today? Well, we did have some pretty good times.

CAMPUS LIFE

The most embarrassing moment for me came when I was sitting in seventh period French class chewing on a blow pop. As I took it out of my mouth everyone in the classroom noticed a small piece of gum hanging from a long strip of slobber. Everyone was laughing at me. My face was burning red. I was so embarrassed! - TOBI HASKELL

For the first time since the fighting Fishermen have been in the Cowapa league, the students here won the league sportsmanship award. While this may not seem like much, the way that we did it was pretty impressive. Based on a scoring system from league coaches and representatives, the overwhelming choice of the league was ASTORIA.

Fashion in 1987 took a big turn towards anything goes. Guys hair was cut short and spiked. At the beginning of the year this might not have been the hot style, but as the year went on the hair styles grew shorter. The trend in clothing stayed with blue jeans, t-shirts with messages, and untied tennis shoes stumbled through the halls.

My most embarrassing moment in class was when we were taking a test. It was really quiet and I put a piece of candy in my mouth. It got stuck in my throat and I was choking and gagging and everyone laughed at me. - SELYNN CHIANG

This year a couple of new teachers were added. Mrs. Hogan, Mr. Flowers, and Mrs. Hale were hired to fill vacancies from Mr. Gunderson, and Mrs. Calcagno. Long time chemistry teacher Mr. Warner retired after years of good behavior. At halftime of the year, art philosopher Mr. Gunderson also raised his white flag.

One of the funniest things that happened this year in class was when Geoff Garner pulled out a water gun in the middle of math class and pointed it at Mr. Street. He told Mr. Street "he was going to fix him." Mr. Street replied with "he was fixed years ago."

Some of the Senior special award winners at the end of the year were, Cathy Carson, Curt Miller, and Gladys Yerro for the Ed and Eda Ross scholarship. Shari Fay, Corey Fischer, Kent Ivanoff, and Bryan Olson - AHS Scholarships, Inc.. Top prizes went to Becky Fennerty who earned 15 different scholarships and awards.

LEARNING TO TAKE CHARGE

STUDENT GOVNING

Before the school year even began, a new president had to be appointed to the student council. Last spring before a family move out of town, Byron Korth was elected as the man in charge. When the seat became empty, elected vice-president Cheryl Everton moved up to fill the vacancy. A special election was then held for the vice job. In the very close race between some fine candidates, Shawn Helligso emerged on top.

To round out the cabinet, Monica Stull, Lien Bui, Sally Baker, and Lance Miller won appointments to help keep the representation on the right course. These members were responsible for many events, including a good homecoming coordination, and a better than expected blood drive participation.

"I could do a better job than that. I should be in a public office!" These words have been repeated over and over again. Like a skipping record, they will continue to be spoken.

Although few people will ever have the opportunity to actually do more than criticize the city's officials, on Elks Youth Day, several Astoria High School students had the opportunity to prove their public worth. Finally, A chance to run things the "RIGHT" way.

From Fire Chief to Police Chief, from City Manager

to District Attorney, students were there for one reason. To get a break from school. Elk's Youth Day turned into much more than a skip day without getting Saturday School. It was the ultimate in learning experiences as well as a good time.

"The most valuable thing I learned," stated Junior Paula Gayson "was that the Astoria Police Department has only one radar system, so only one cop at a time can get you for speeding." Information like that made the day worthwhile for everyone.

PEOPLE CARING ABOUT PEOPLE . . .

"I went into teaching because I enjoy working with people and seeing them succeed in a positive way," reflected photography instructor Mr. Holmstedt. "I want people to feel good about themselves through their success."

This type of feeling is why most all teachers chose the teaching profession. They care about people. They want to share part of themselves and help others to succeed.

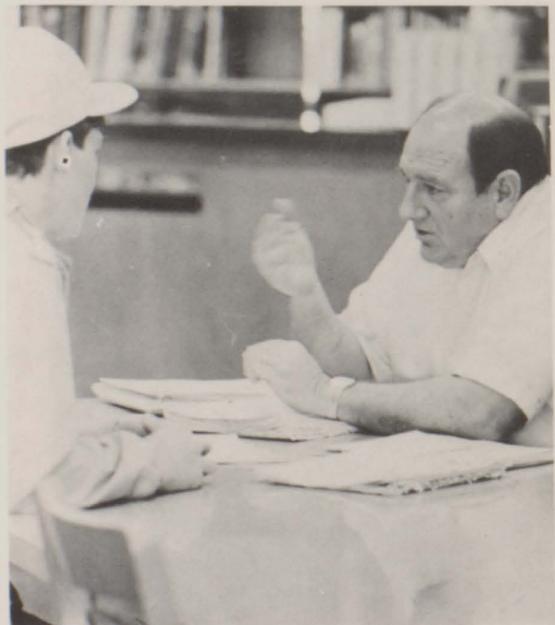

Looking back, reading teacher Mrs. Erickson remembers, "I finished my education when I was older, so I have worked at quite a few different places, but I never quite felt like I was doing what I wanted-until I started working with kids."

Teaching isn't the only job that allows working with people, so how do teachers get interested in the profession? "I didn't do it to get rich," stated Mr. Dessen, "But from kindergarten to my senior year I had only one bad teacher, so I think I was influenced a lot by all of the outstanding examples I had throughout school." Mr. Schileski adds, "I decided to go into education probably because I enjoy learning about things. Not just math, but anything." I remember a saying, "The more you learn the more you realize you don't know." Teaching is a career that offers an opportunity to give something of yourself, some-

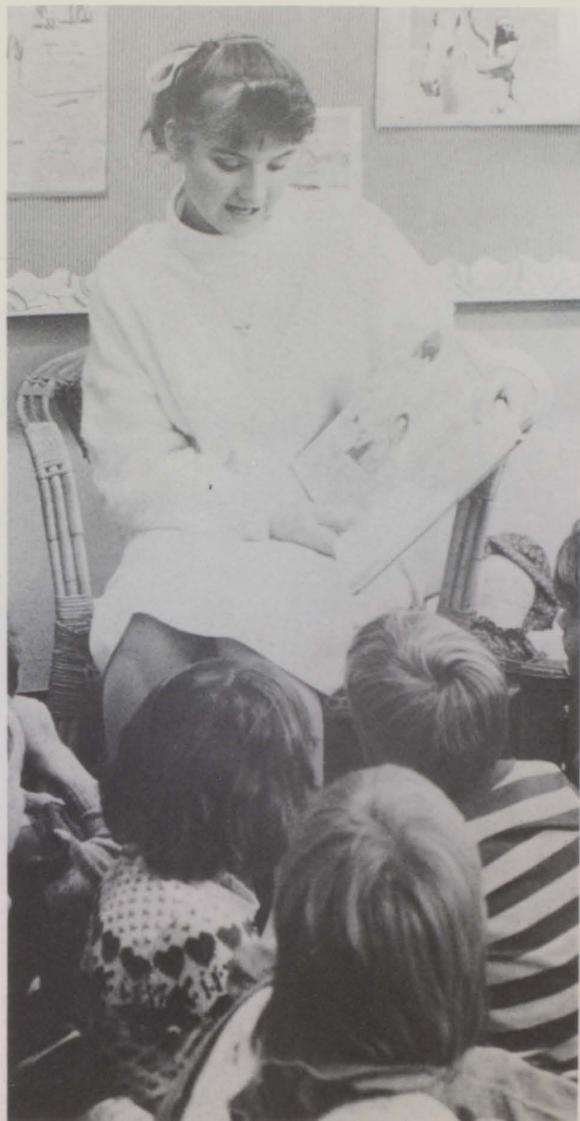

thing you care, and for teachers, knowledge is what's important. "I just hope I'm contributing something to kids," says Mr. Olson, "that's my goal." That's every teacher's goal. To know that on graduation day the Seniors walk away with knowledge that they have shared.

Teaching doesn't only benefit the students, as Mr. Lukoszyk states, "the biggest enjoyment for me is when students come back and thank me and tell me that they have used what I taught."

But as Ski reminds us, "Teaching is like hitting yourself on your head with a hammer-it feels so good when you quit!"

A GOOD LESSON FOR ALL AGES

Teaching requires tremendous patience and the desire to work with kids. The cadet teaching program offers students a chance to see if they possess these teaching qualities. Many decide teaching just isn't for them, while others realize that teaching is a profession they wish to pursue.

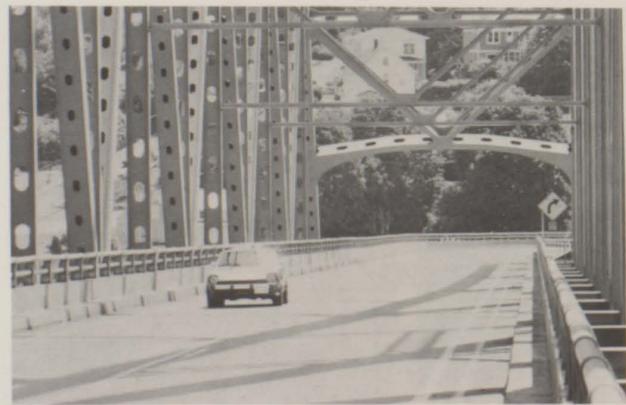

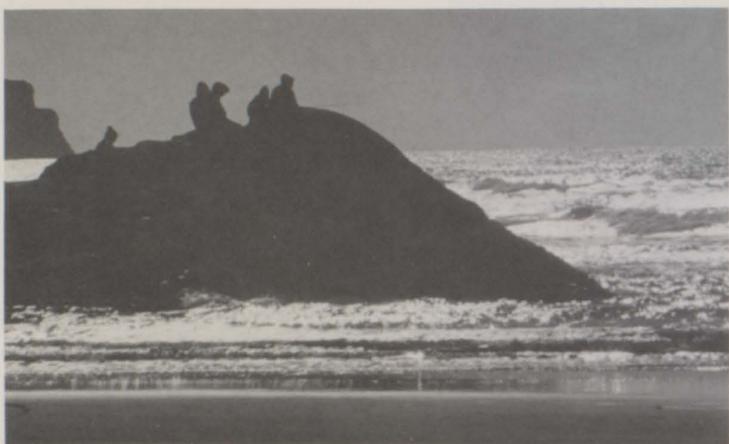

Many students who participate in the program decide to continue their interest in teaching at college. They felt that the cadet teaching program was very good experience and it was a preeducation to decide on a future career.

Andy Peitsch enjoyed his class this year, but he said, "The kids have no respect for me - they always boss me around! I had a lot of fun, but I've learned how bad I am at fractions!"

Jeni Marr remembers, "The first day I was there the teacher told the kids to call me Ms. Marr - that sounded really weird. But it was a great experience and I was the best artist in the class, that made me feel good!"

But you don't have to want a career in teaching to get involved in the program. It's a fun way to get to meet new people and share a part of yourself with others. You may also gain a new understanding of the hard work that is involved in the profession of teaching. It takes a lot of time and preparation, plus tremendous compassion and understanding of children.

WILHELM VISSER-SOUTH AFRICA

DEFINITION OF FRIENDLY: SIMONA.

SO MAYBE THIS ISN'T IN THE AVERAGE DICTIONARY. JUST THE SAME, ITALIAN EXCHANGE STUDENT SIMONA NEONATI IS FRIENDLINESS. WITH A SMILE ON HER FACE SHE TALKS EASILY ABOUT HER LIFE IN VERNIA, ITALY.

IF A STUDENT AT ASTORIA HIGH SCHOOL IS COMPLETELY DEDICATED, HE OR SHE MIGHT SPEND ONE OR TWO HOURS EACH NIGHT DOING HOMEWORK. AT SIMONA'S HIGH SCHOOL, EIGHT HOURS A DAY ARE NEEDED TO COMPLETE STUDIES AND ASSIGNMENTS, AND THE STUDENTS ARE ALLOWED TO HAVE NO ELECTIVE COURSES.

WITH ALL OF HER STUDYING, SIMONA STILL HAS TIME TO ENJOY LIFE'S FINER ACTIVITIES SUCH AS DATING. ITALIAN GUYS ARE BASICALLY LIKE ASTORIA GUYS EXCEPT IN ITALY THEY DRESS NICER AND DRIVE NICE CARS.

ONE DIFFERENCE SIMONA NOTICED RIGHT AWAY WAS THAT HERE SMOKING IS DEFINITELY NOT THE "IN" THING TO DO, WHILE AT HOME ALMOST EVERYBODY SMOKES. SIMONA IS QUICK TO POINT OUT THAT ASTORIA HAS A MUCH BIGGER PROBLEM WITH ALCOHOL. "WE DRINK SOCIALLY, BUT DON'T DRINK TO GET DRUNK ON FRIDAY NIGHTS."

SIMONA HAS STAYED WITH GRETCHEN BAKKE'S FAMILY THROUGHOUT HER STAY. "I LOVE MY HOST FAMILY, WE GET ALONG VERY WELL. I MISS HOME, BUT AM SAD TO LEAVE ASTORIA."

WHEN WILHELM VISSER FIRST APPEARED IN THE HALLS OF ASTORIA HIGH SCHOOL, OOHHS AND AHHS, DOUBLE TAKES, AND EVEN A COUPLE OF CASES OF WHIPLASH WERE REPORTED. IT WAS AN UNDESPUTED FACT. WILLIE VISSER WAS DEFINITELY A HIT.

WILLIE CAME FROM KRUGERSDORB, SOUTH AFRICA IN JANUARY OF 1987 THROUGH THE ROTARY EXCHANGE PROGRAM. HE EXPECTED ASTORIA TO BE A LOT LIKE L.A.. HE WAS WRONG. IT WAS THE FIRST OF MANY SURPRISES THIS 17 YEAR OLD WAS TO HAVE IN THE UNITED STATES. KRUGERSDORB AND ASTORIA WERE WORLDS APART, YET WILLIE POINTS OUT PEOPLE ARE THE SAME WHEREVER YOU GO.

PROBABLY THE BIGGEST DIFFERENCE IN WILLIE'S SCHOOL AND AHS IS THE RULES. IN SOUTH AFRICA, THE STUDENTS ARE REQUIRED TO WEAR UNIFORMS AND THE GIRLS MUST WEAR THEIR HAIR UP, THEY ALSO ARE NOT PERMITTED TO WEAR MAKEUP. THE DRINKING AS WELL AS THE DRIVING AGE IS 18 IN WILLIE'S COUNTRY. ALTHOUGH IT IS THE LAW, NEITHER ARE AS WELL ENFORCED AS IS IN OREGON, WILLIE SOON DISCOVERED.

"WITH THE EXCEPTION OF A FEW UNTIMELY INCIDENTS, MY STAY HERE HAS BEEN A BLOODY GOOD TIME!"

QUEENS JOANN AND WENDE REIGN

For the first time ever, the senior and junior classes sponsored a single formal dance. The traditional Spring time flings, had the junior prom held within a month of the senior prom. Answering a request by many students bank accounts to ease the pain of spending a fortune on attending both proms, the classes got together and combined the two affairs. A neat idea that turned out to be a hit.

This year's prom was held in the Elk lodge ballroom on May 9. The dance had more than its share of princesses, escorts, fun, good music, and formality. It was four hours that won't easily be forgotten in the minds of most all who attended.

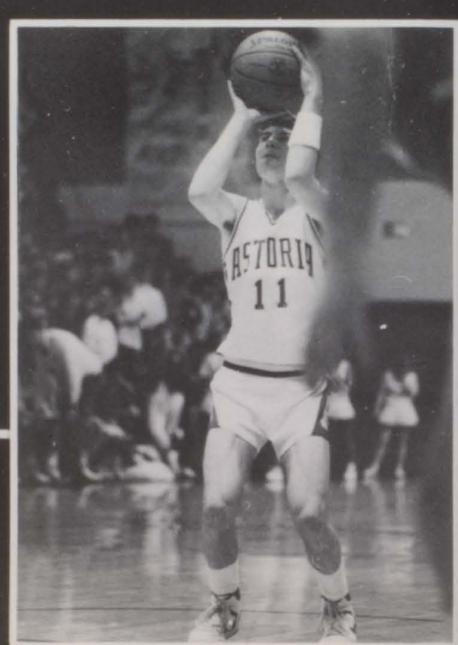

To different people the dance meant something special. Mikki Sagen had her "first major dance with Brad. A

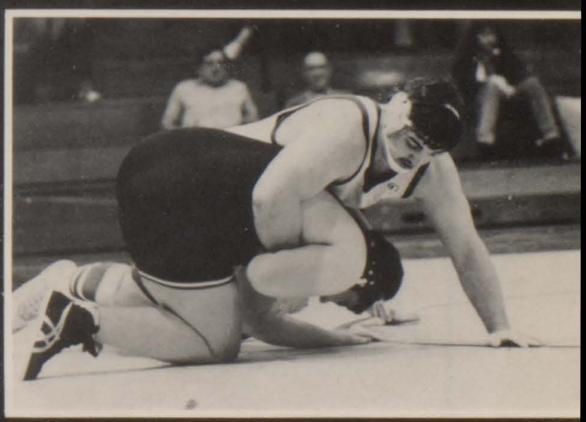

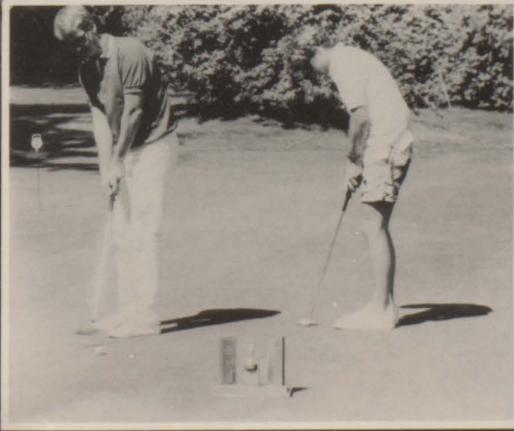

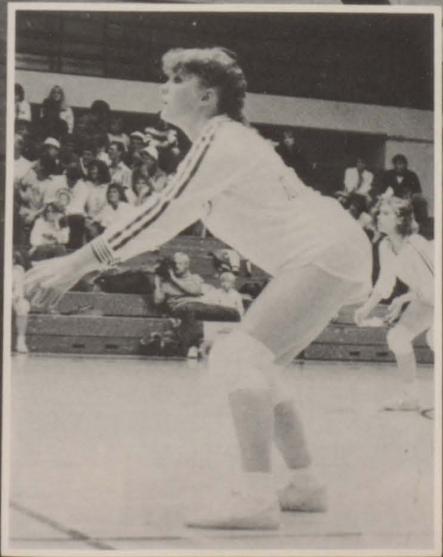

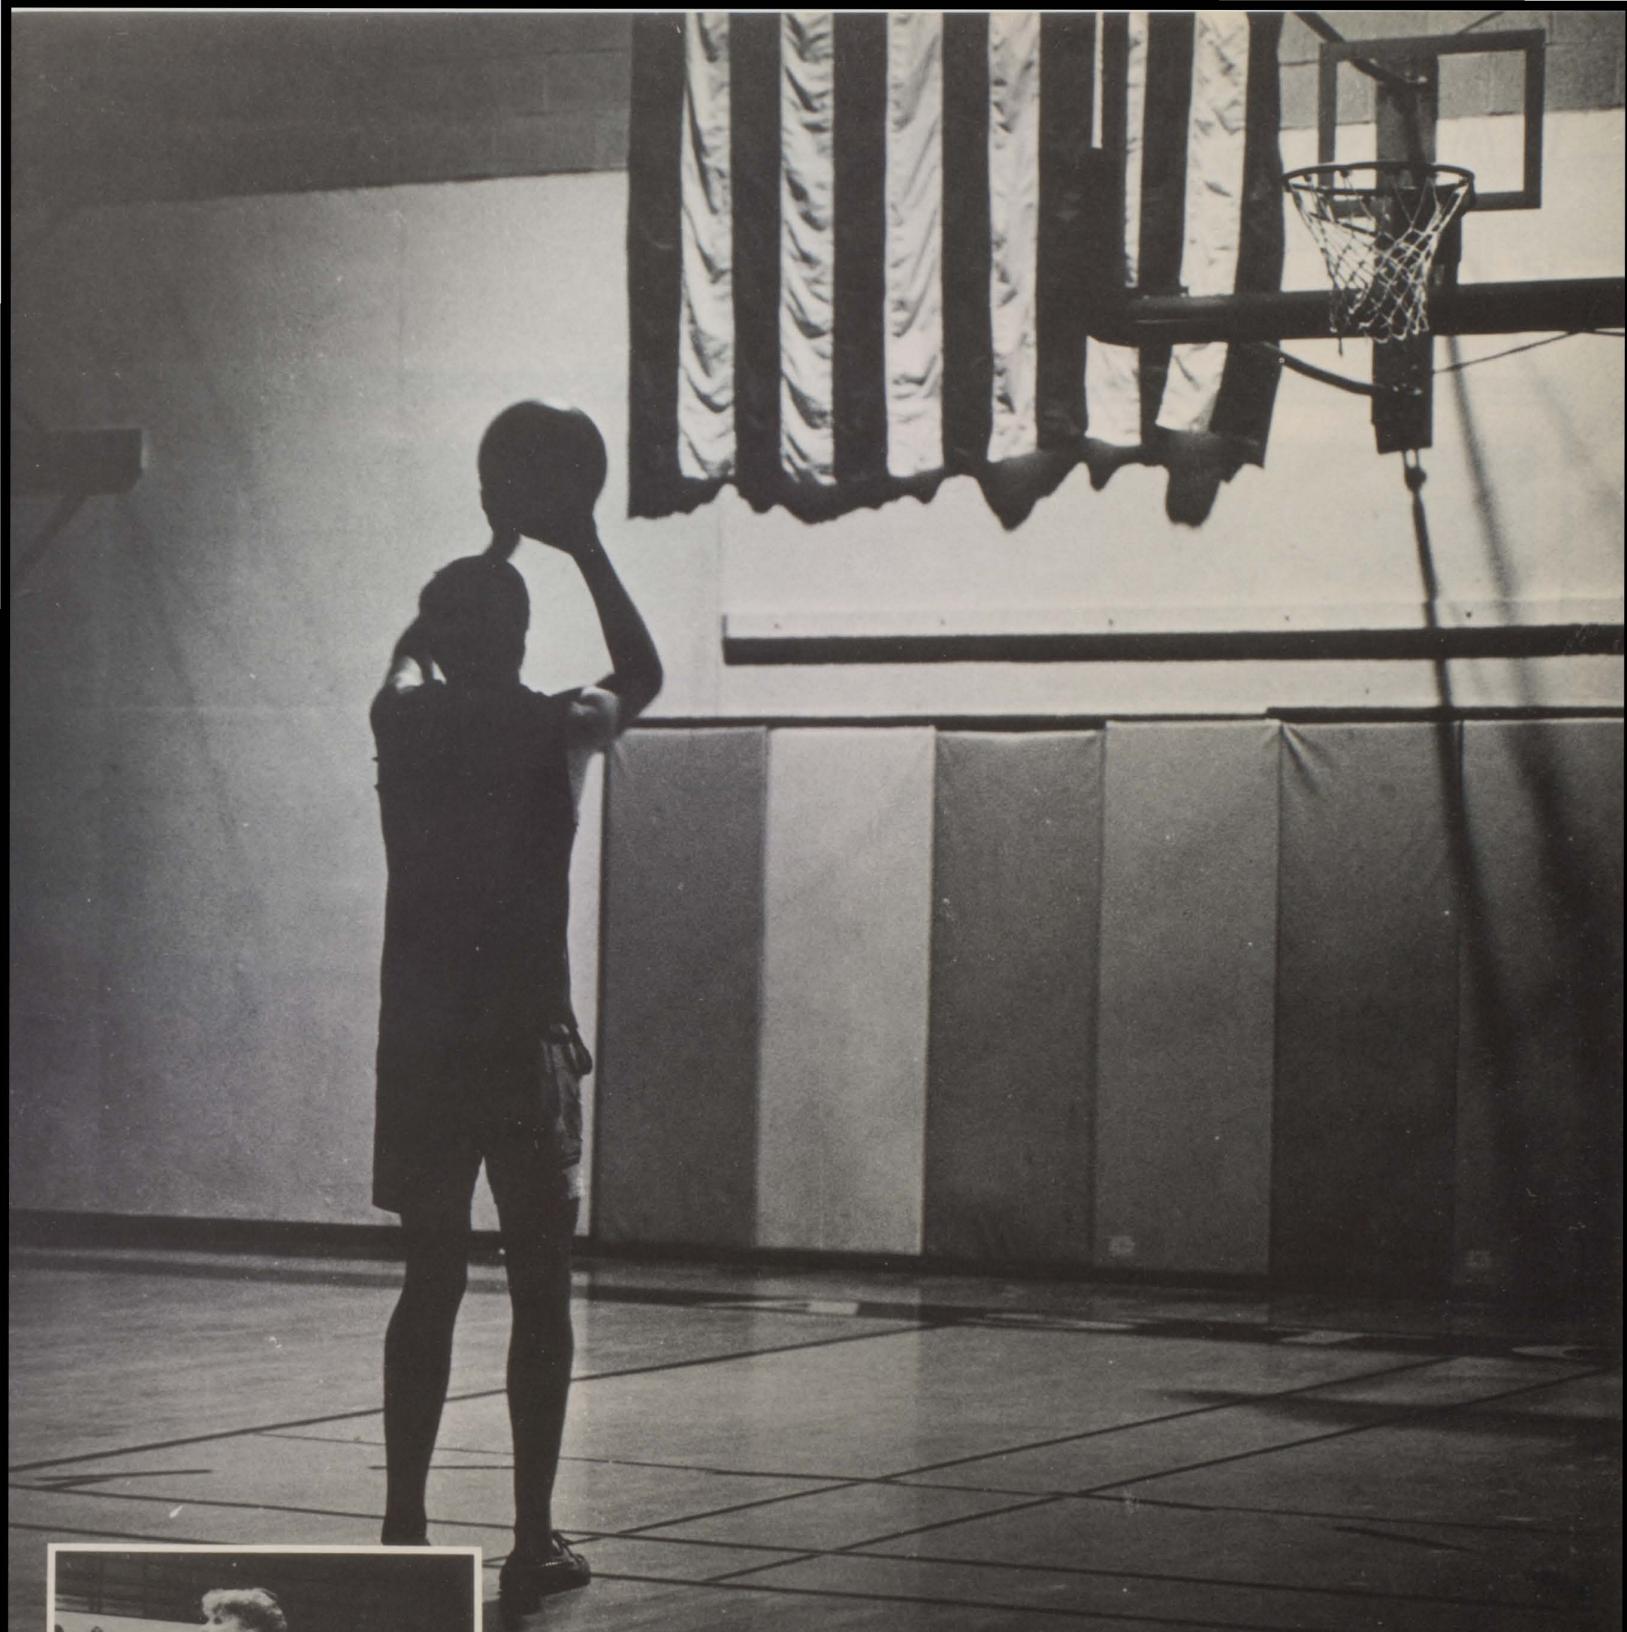

night to remember." Senior David West highlights the formality. "It was neat seeing everyone dressed up because you don't see much of that in Astoria." Kelley Swensen enjoyed the way everything turned casual. "Everyone was kickin' back by the end of the dance. Guys had their ties off and were just having a good time."

This dance featured a real royal treat. Two queens were selected to reign over the prom. Each class chose their own queen from among the princesses. For the juniors, the overwhelming choice was Joann Hauke who was escorted by Ted Winn. The seniors cast their favorite as Wende Hansen who was escorted by Steve Hauke. After a spotlight dance, the court retired to their castle where they lived happily ever after.

INJURIES DAMPEN SEASON RECORD

DESPITE THE SET-BACKS, THERE WERE OFTEN TIMES TO TURN THE FROWN UPSIDE DOWN AND CHEER ON THE FISHERMEN. A DEFENSE THAT WAS RELUCTANT TO LET THE OPPPOSITION SCORE MADE THE MEDICINE EASIER TO SWALLOW. CRUNCHING TACKLES FROM NUMBERS 55 AND 56, DON BROWN AND JAMIE MONROE, LEFT THE OTHER TEAM'S LOOKING FOR LICENSE PLATE NUMBERS. COREY WARNER MADE THE GOING EVEN TOUGHER FOR THE OPPONENTS WITH SOME BIG STICKS FROM THE LINEBACKER SPOT. THESE WERE A FEW DRY SPOTS IN THE POURING RAIN.

WHEN IT CAME TIME TO RECAP THE SEASON AT THE SPORTS DESERT, THE MOMENT WAS ONLY 59 SECONDS. LIKE THE SEASON ITSELF, SOMETHING WAS MISSING. SALT WITHOUT PEPPER. LAUGHTER WITHOUT NOISE. A GOOD TACKLE WITHOUT THE POP. GOING THROUGH THE MOTIONS WITHOUT TOO MUCH FEELING. THERE HAVE BEEN SEASONS THAT WERE MORE MEMORABLE, ALMOST ANY SEASON. ONE WEEK SLIPPED INTO THE NEXT, WITH RESULTS THAT TURNED OUT ALMOST THE SAME. ANOTHER DISAPPOINTMENT, ANOTHER GREAT EFFORT, ANOTHER LOSS.

ROOKIE COACH TAKES THE HELM

"Football is my first love. I've always been active in sports of some sort or another, that's one of the reasons I got into coaching. If I can't play the game I want to be involved in it." This year the Fishermen adopted the new "run and shoot" offense.

When asked if he would have done anything different this year, Coach Hoff replied, "I wish I could of gotten more people out for the team. The game plan and practice went well. The season was long, but we all had a good time."

League defensive player of the year

To be good at anything requires dedication and a lot of desire. To be the best means that the vision of excellence is combined with a lot of hard work. Being named the Cowapa league defensive player of the year, Jamie Monroe has worked hard to be the best that he possibly can. His recognition ended a season of big plays.

Playing football since the seventh grade, Jamie found that the game was to his liking. During the off season he lifted weights nearly every day to build his body to prepare for the next year. And what is it that makes him enjoy the sport so much? "I like cracking heads."

EXPERIENCE IS BY FAR THE BEST TEACHER, AND WITH A SEASON OF NINE GAMES, EXPERIENCE IS WHAT THE FROSH TEAM ACHIEVED. WINNING TWO GAMES, THE YOUNG TEAM ENDED THE SEASON WITH A SPECTCULAR WIN OF 32 - 0 OVER RANIER. DAVID HILLIARD REFLECTED, "WE ALL PLAYED WITH UNITY." DESPITE THE LOSS OF MATT BOOZER AND EDDIE OLSEN, DUE TO INJURIES, THE TEAM WORKED EVEN HARDER TO FORM A STRONGER BOND. SUMMING UP THE SEASON MIKE KEYSER SAID, "WE HAD A REAL FUN SEASON EVEN THOUGH WE DIDN'T WIN MANY GAMES!"

BEING IN FIRST YEAR OF HIGH SCHOOL FOOTBALL, THE FROSH TEAM PERFORMED RESPECTABLY.

GAINING IN EXPERIENCE AND STRENGTH, THE FUTURE VARSITY PLAYERS WORKED LONG AND HARD IN PRACTICE TO FINE-TUNE THEIR SKILLS. DURING THEIR LEAGUE GAMES, IT SHOWED HOW HARD THEY WORKED TO PERFECT THEIR GAMES. AFTER THIS SEASON, THE YOUNG FROSH TEAM WILL BETTER PREPAARED FOR THE CHALLENGES OF VARSITY.

GIRLS RUN AWAY WITH CHAMPIONSHIP

A cross country runner is a different breed of athlete. They first challenge themselves to be the fastest they possibly can. Sounds of noisy crowd and cheering remarks echo only in their heads as they tear across the quiet of the course. They race because of a strong internal challenge and the enjoyment of running.

Very few coaches understand a cross country runner like Mr. Dominey. In his 19 years of coaching, his teams success has gained him recognition worthy of nomination as 1986 National coach of the year in track. "I hope our athletes can use what they learned to benefit their

future lives."

This year's teams also ran with great success. Although no one qualified for state, the boys finished third at districts led by the strong running of senior Dale Searls, they exceeded many personal goals. "Cross country isn't all hard work and mental preparation, it's mud runs and meeting new friends," commented Dale. Making their presence known in the league, the girls sported a 5-1 record and finished first at the district championship. From this outstanding team, Mary Wollenbecker and Jennifer Olson won state honors by placing ninth and tenth respectively.

TEAMWORK HIGHLIGHTS THE SEASON

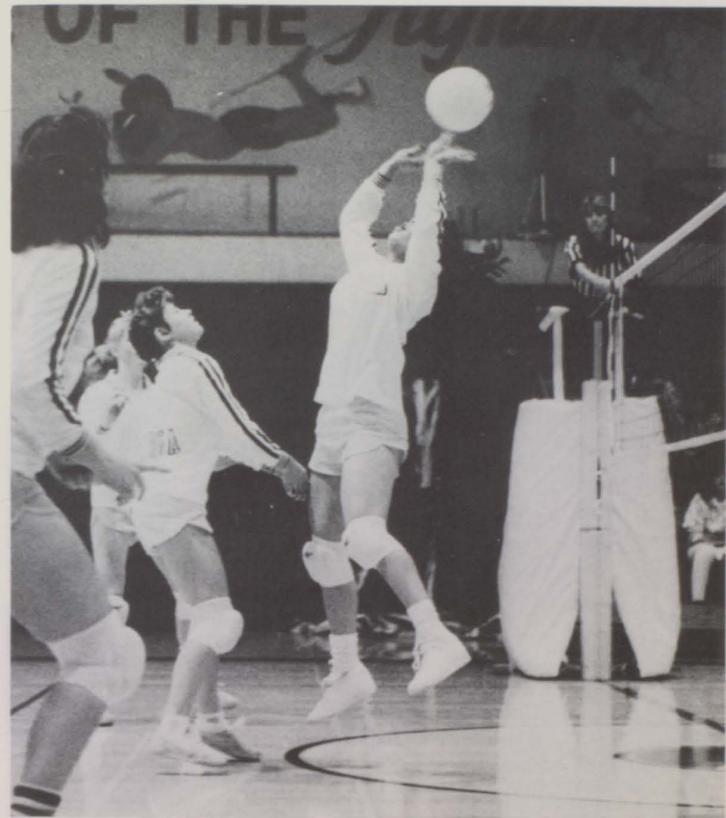

It was a season of bumps, bruises, aches and pains. All the digs, dives, and floor burns would all be done over just the same by everyone, with the exception of maybe a few less losses. Memories of the big blunders and great saves will replay in the minds of everyone on the team as they look back on the season.

Like all teams, the volleyball team had its share of problems. Communication on the court and lack of aggression were problems that this team came to overcome. As the season wore on the team began to play with a sense of pride and authority that gave the best of teams a challenge and a run for their money. It wasn't apparent on the scoreboard but the improvements in each player made the journey worth the time.

The closeness of the team kept every-

thing together. All the members helped support each other when times got tough and things weren't going just the way they would have liked. The good times were celebrated and credit was given where it was due. When the losses came, there were always faces you could turn to for understanding and support. Shari Fay and Adrianna Apuzzo's smiling faces and upbeat attitudes earned them most inspirational player awards that were voted on by the team.

Although the wins weren't numerous, everyone was able to enjoy themselves. Friendships were strengthened and memories were made to last. Winning on the scoreboard was second to the fun and closeness that will always be remembered.

SPIRIT AND UNITY SHINE THROUGH

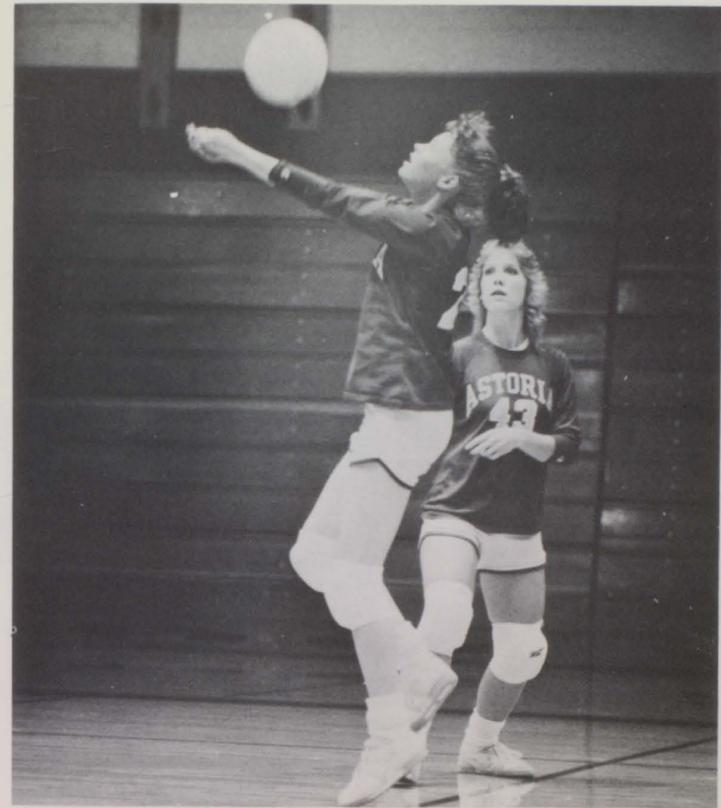

If you were to judge the success of the J.V. season by the final numbers on the scoreboard, you might be blind to many of the individual accomplishments. A coach's idea of a successful season is not necessarily reflected in the final league standings. Looking at things in a different light, individual attitudes, efforts, improvements, and dedication are tops on the list when it comes to evaluating performance. Sophomore star Jenny Garner felt, "Spirit and unity made every game worthwhile." In the case of Coach Wilson, individual growth was the purpose and the reason for the season. Summarizing individual strength at the annual sports dessert, he proved the scoreboard to be somewhat of a liar as he pointed to the season's real highlights.

Vicki Stultz- Even with a smile on her face at all times, this super setter still claims the Ms. Hustle award.

Tanya VanHorn- One of the best all-around player who improved more than anyone Coach Wilson had anyone seen.

Jenny Garner- She was so nice that she had to practice being mean and really helped in the front row. Erin Morris- A good, solid, relaxed player and one of best hitters in the league.

Tina Rahkola- Breaking her finger didn't stop her from becoming one of the best setter in the league.

NEVER SAY SURRENDER

Unless you were at the match or knew somebody on the team, you wouldn't even know that they had played. The sports section never knew. The high school polls never rated them. The radio missed the results entirely. But the girls on the court playing knew. And it showed.

Spirit and excitement echoed through the empty Gray school gym as the freshmen girls gave support and encouragement to each other. They had a keen sense for the game and played like the Olympic gold medal was on the line. Maybe not as well, but with the same enthusiasm.

Nobody told them that their game was not the main event. They didn't care either way. Their hearts were in it, and the

way that they played would make memories that would last.

The season had all the elements that making it worth coming back for more. Agony of defeat in some very close matches, great comebacks to steal victories away from their opponents. They never surrendered. A season that deserved a whole lot more in recognition. A season worth remembering.

Reflecting back, Mr. Patching was "pleased with the individual improvement shown by a very promising group. We hung in there on some very close matches and never gave up ... ever." Something that can never be taught or coached, it was an attitude that will make for good things to come.

COACHES

A different lesson

A classroom of a different kind.

Outside the academic wing there is still teaching to be done. For the teachers that double as a coach, the lesson plans are different but they still are teaching.

"I try to get my players to get the most from themselves. Hopefully somewhere along the way they will learn something about right and wrong, competition, desire, and most importantly, about themselves," summarized baseball coach Mr. Holmstedt.

"Coaching is teaching," said Mr. Desseen, "The classroom moves to another place. If I can help a player reach their potential, if they do the best they can, they will never lose."

Taking time out from the academics, the lessons change from the point of view. "Playing sports and coaching are both concerned with bettering yourself in the face of obstacles," added Mr. Brenden, "many times I try to teach the importance of maintaining composure at times when things are not always going the way that they should." Maybe a lesson for a lifetime.

COWAPA CHAMPS GO UNDEFEATED

It wasn't perfect, but it was as close as you can get.

A dream season that provided more than its share of reasons to get excited. Finding a reason to cheer was easy. Some beautiful team work and individual efforts put together to make this one of the best teams Astoria basketball fans may have ever seen. The name of the game was fast break. Burn the opponent on the transition game from offense to defense made for many an opponent to leave the gym wondering what happened.

In Eugene, at the state tournament, the Fishermen entered rated number one and undefeated. Their perfect record was not enough to scare off the challengers. They still had to prove themselves worthy of the ranking. After game one, the string was still going strong.

The second contest proved to be more of

a challenge. The only blemish on this perfect season. Weak outside shooting and a defense that never got untracked led to the first defeat. No excuses. Just a bad day.

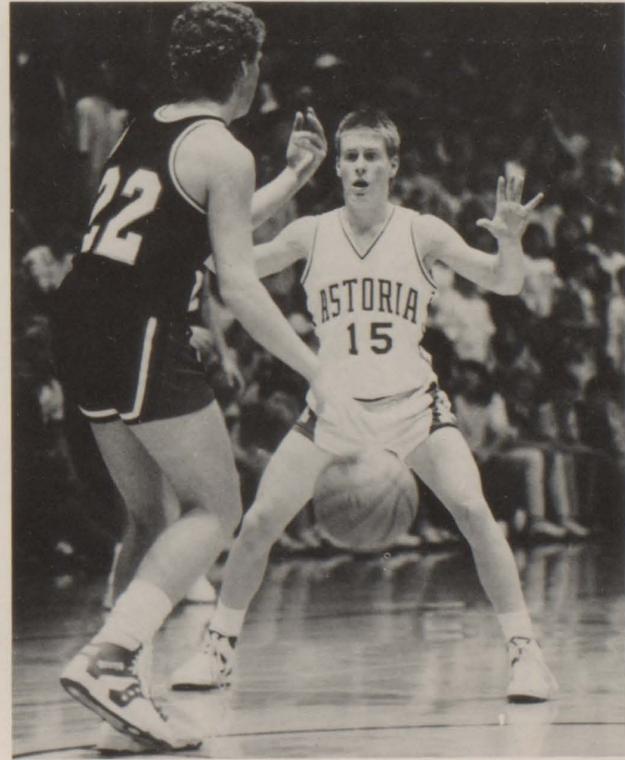

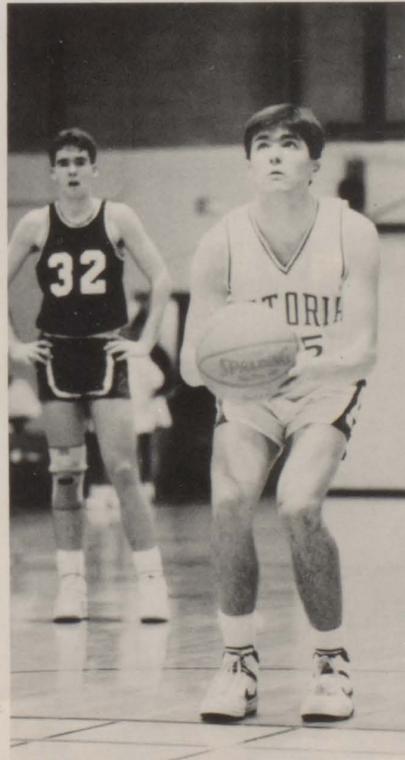

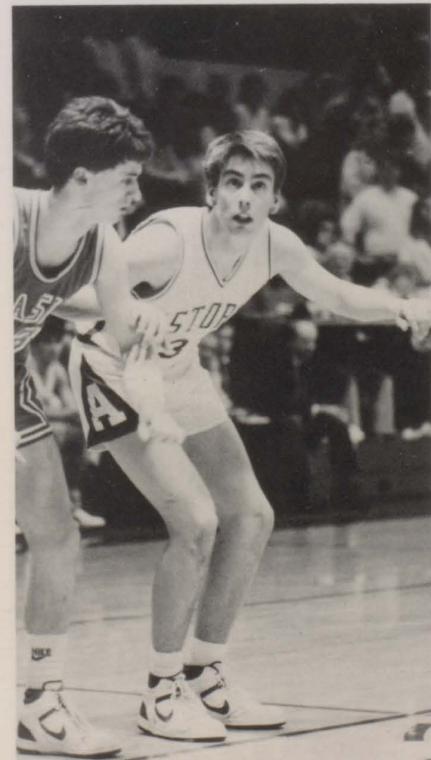

Pride and success were enough to bring the team back on their feet. Ted Winn, Eric Viuhkola and Curt Miller sparked the offense to easily overpower the remaining teams from North Valley and Junction City. Impressive showings reestablished the faith that this team was one of the best in the state. Maybe the best.

"I was really happy with the way the team came back from the loss in the North Marion game," said a proud Coach Goin, "we could have folded, but we stayed in there. This is a great group of kids." A team that will always be remembered.

VIUHKOLA EARNS ALL-STATE HONORS

Around the league it is hard to hold a basketball conversation without one name entering into it. That name is Eric Viuhkola. Eric has been a four year letterman on the basketball team. His sophomore year he was voted second team all-state, and this year he was voted to the first team. When asked

about what stood out in his mind the most on this, his final A.H.S. season, he replied, "I think it was just the closeness of the team." Eric felt that the team was special because they had a good time, not because they always won but because they cared for each other.

J.V.'S PULL DOWN SECOND PLACE

The J.V. boys had a great season this year, ending with a record of 17 wins and 3 losses. On top of that they finished second on the league. No one really realized how successful their season was because of the infamous varsity team, but the J.V. team deserved more recognition than received.

When asked Mr. Bruner's view of the season he stated, "It was one of the better seasons I have coached. We were a quick team and we worked hard, but I think our success was because of the team's enthusiasm, plus our shooting ability was about 45%. Comparing that to the average of the teams I have coached, which is about 40-41%, ours was quite high." Mr. Bruner believes that several of the J.V. members could have played varsity this year but because of the outstanding varsity team they wouldn't have seen much action. But by being on the J.V. team, they gained the ex-

perience they needed, and he thinks next year's team looks quite promising.

Junior Jeff Chan thinks that they had a great season overall. He also said, "Next year we should have a pretty good team, if we get some height underneath us. But we won't be quite as good as this year!"

Sophomore William Coe said, "It was fun being on the team because we were playing with some different people which made it a little more challenging and exciting."

And Junior Mike Betts added, "I got close to the people on the team and realized that we could work together as a unit." The success of the season was more than just the final standings, it will be remembered by the friendships, which will be never forgotten.

WRESTLERS THROWN FOR REVERSAL

Despite numerous setbacks, the Astoria Wrestling team continued to be competitive in their matches. Part of the reason for the low numbers on the scoreboard was due to the fact that by the end of the season there was only one wrestler with varsity experience. This caused a little discouragement, but the team never gave up.

The high point of the season was the overwhelming victory over arch-rival Seaside. The Fishermen dominated from lightweight to heavyweight against the also youthful Seaside team.

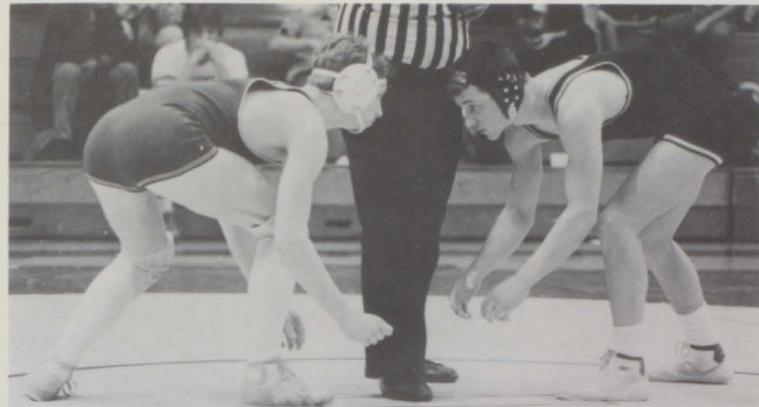

Although the rest of the season wasn't the most memorable of seasons, the team still turned out a championship grappler. Jamie Monroe took 3rd place in the heavyweight division at the OSAA Bank Class AA Wres-

tling Tournament, finishing the season with an 18 win, 2 loss record. According to Mr. Hoff, the attitudes of the team members in the first half of the season were conflicting and caused the team to decrease in size, a lot of anxiety and unnecessary problems. As they reached the second half of the season, the attitudes became more encouraging but the young team was still no match for opposing teams.

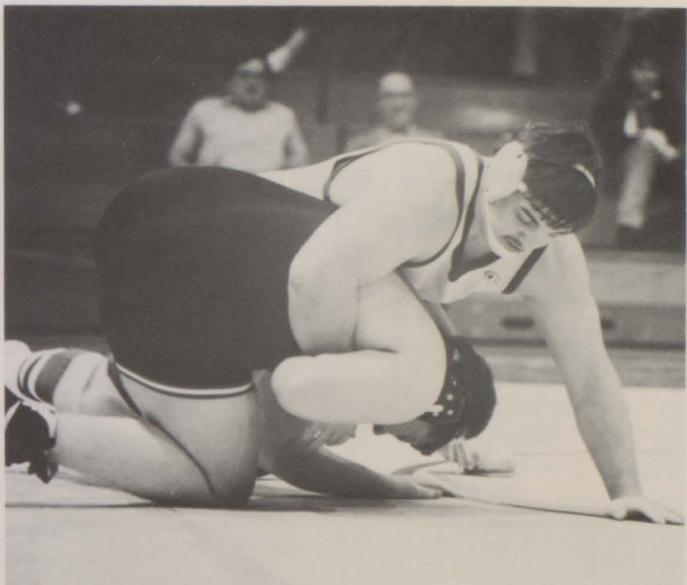

The major setback of the team was their lack of experience. Because of this they made rookie mistakes, but they learned a lot from it, which will help as they progress.

Future teams will have more varsity experience and be used to working together as they are brought up through the ranks.

FISHERETTES EXPERIENCE PLAYOFFS

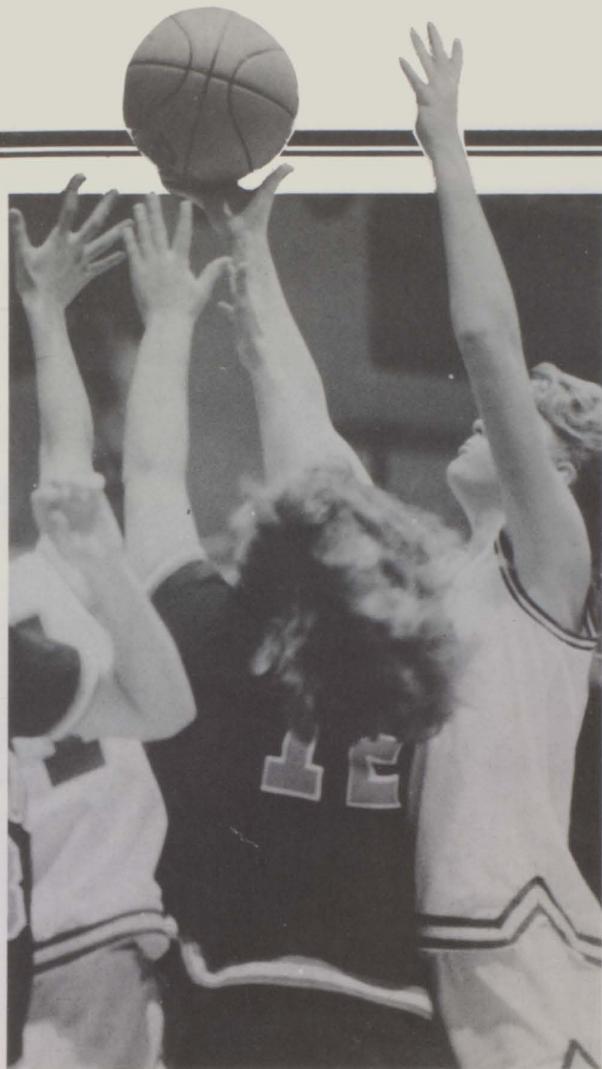

So close yet so far away.

Going into the final week of the season, the Fisherettes had a good outside chance to put everything together and make a state tournament berth. Tied for third place after the regular season, a special playoff win over Scappoose put the team in position to grab one of the two league state tourney spots. Optimism and positive attitudes were riding high. The only obstacles in the path of the revived team were wearing green and white. The Rainier Columbians.

Perhaps a whole season can be summarized in one game. Rainier was a team that was not impossible to beat. A week earlier the girls squared off and after a very close encounter, we came out on top by a single point. But that was history. This game would not have the same results. The tide turned in the favor of the Columbians. The final score, Rainier 60, Astoria 35.

Despite the disappointment of the final outcome, many good things were to come. From the start, we were not chosen by the league coaches to come even close to a playoff berth. Inexperience was going to be too much of a factor. Three Seniors led the starters through most of the season, the rest of the team was made up of five Juniors and two Sophomores. Experience was not running deep. Painful lessons had to be learned from this season. Next year would be better.

"We had a lot of problems getting things going early in the season," summarized Jenny Garner, "but we were playing pretty well near the end." Experience was coming quickly. The teamwork and individual efforts were improving in every game. Playing their best was not good enough this year, but there is always next season.

J.V.'S EARN LEAGUE CHAMPIONSHIP

The girls JV team were league champions this year with a record of 18-1. Coach Brenden commented, "I feel that being 18-1 was significant because everyone had equal playing time, they all contributed to the record." He was proud of the team's effort and unity, and of course, the final outcome. Coach Brenden feels the JV members moving up to varsity will be beneficial to the team.

When a team is compatible and has a season of victories the feelings of the members is positive. Sophomore Ginger Tarabochia stated, "The freshmen helped us a lot because we needed the height underneath

along with our junior Heather Baker. Everyone was equal and overall it was a fun season." Bronwen Stokeld said, "I gained a great sense of team unity and comradery from the team." And Tanya VanHorn felt that, "It was emotionally and physically stimulating!" But to sum it up, team captain, Heather Baker says, "Finishing 18-1 has been great. We had a lot of fun working together. I've gained a lot of experience this year and more responsibilities toward the team. I've also gained many strong friendships, which I hope will last forever. I guess you can say, 'Life can't get any better than this!'"

SMALL IN NUMBER, BIG IN EFFORT

The girl's Freshmen basketball team didn't have the best season, but they certainly didn't have the worst.

If you judged the season only by the scoreboard, you would be missing the season's real highlights and accomplishments.

The girls learned a lot of valuable things, such as more about themselves, how to get along with others and how to be a good sport.

According to Debbie Zielinski, the best thing about the season was their "... ability to work together."

The team's most memorable game was the first game at St. Helens. There weren't any scorekeepers, so they were forced to keep score themselves. Trying to play the game, as well as trying to keep score, made for one hectic game.

The team's most memorable gym to play in was Gray School. "It was a dungeon," commented one of the girls. "It was cold and dark and hardly anybody was there."

Midway through the season, Cathy Dubb came down with some unknown illness that caused her to miss out on the rest of the season. The illness was so unusual that even the doctors weren't able to pinpoint exactly what it was. The team lost a valuable player that could have contributed to the team's success.

When asked what one thing they would have done over if they had the chance, Debbie Zielinski said, "I think we should have had more players. This team was too small." But even this couldn't have, and didn't stop the girls from enjoying themselves as much as they did.

ERRORS TARNISH SEASON RESULTS

It was a season of extremes. One game the team could play with all the fire and confidence of the best in the state. Other times they looked like Babe Ruth players that were fresh out of Little League. Consistency was not the strength of this team.

At the start of the season, on paper, the team looked to have the right ingredients to make themselves strong competitors for the title. They were returning seven players with varsity experience. Hogan, Warner, Winn, were Seniors that had seen a season of varsity ball. Along with Rubio, Matthews, Reed, and Rodgers there was hope for good things.

By the time the final pitch of the season was to be thrown, quiet bats and weak defensive efforts had prevailed.

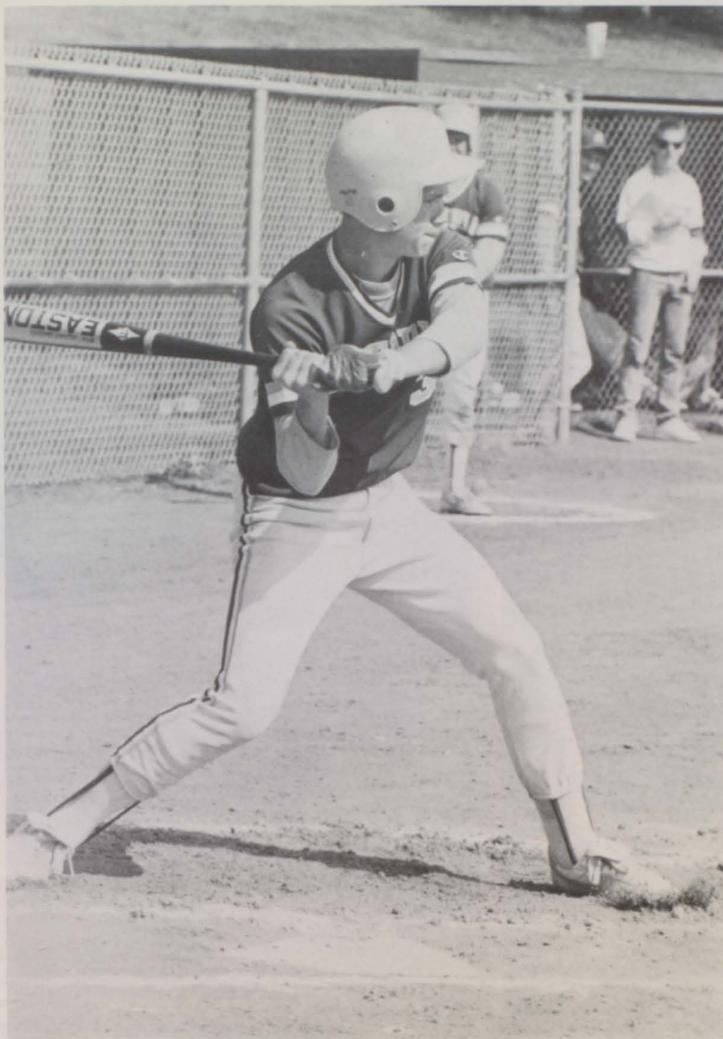

The team had also lost two valuable players.

All-league candidates Monte Reed and Ted Winn both were gone. It was a team that would find itself much too late to be a challenger.

Picking up the slack required a shuffle in the line-up. Darren Rodgers made himself known around the league with a bat that hit over .300. Combined with a good glove in the infield, Darren, Scott Olson, and Corey Warner, made some great plays for the Fishermen. On a good day, Mike Hogan on the mound made it tough for the opponents.

Highlights of the season include a sweep over Tillamook and a pair of big wins over Rainier and Seaside. Though the team ended up on the short side of the score in many games, they did have their moments of playing some good baseball.

TALENT TO PLAY WITH THE BEST

Raw talent. There was plenty to go around. Babe Ruth stars would carry their learnings onto the high school circuit. They knew their way around the diamond, but they still had a lot to learn.

The purpose of J.V. program is to prepare an athlete for the varsity level. A farm team of sorts. But, during the learning process there is plenty of room for standout plays and exciting baseball. That is exactly what this team gave, good baseball.

Led by the pitching of Daryl Curtis, Tully Taylor, and Eddie Olson, the team made the league aware that they were out to play ball. "They all had some good games in which they built a lot of confidence," stated coach Dessen, "if they continue to improve they will make some real noise in the league in the next few years."

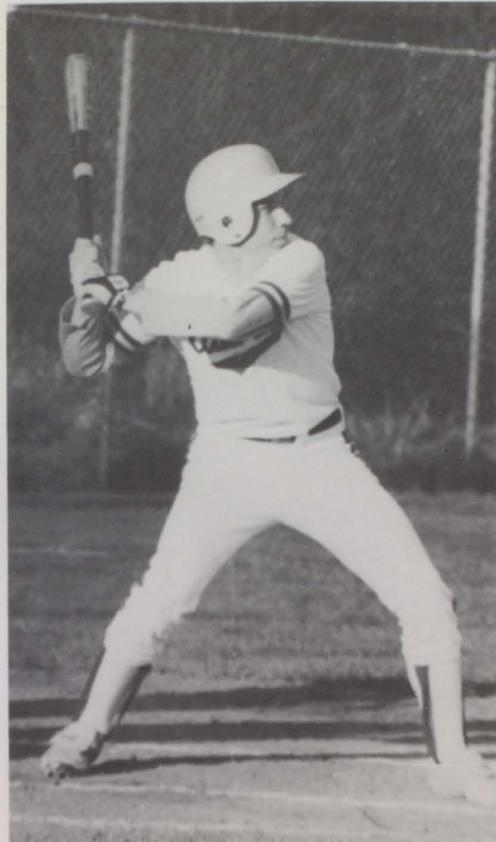

Defensively the season had some very solid

performances from Brian Matthews at shortstop, John Harper in centerfield, Eric Sarin at second base, and Darryl Fleck at second base. Darryl's efforts earned him the right to move up to the varsity team.

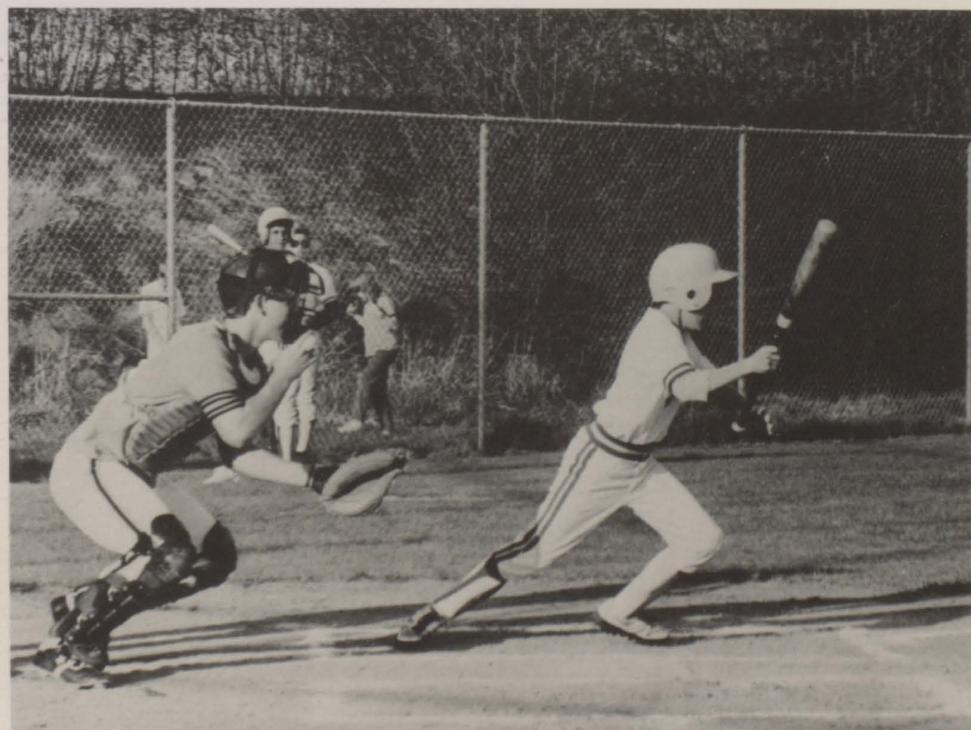

At the plate the team was led by Eric Sarin and John Harper. Both ended with a season average of better than .400. After a slow start by both hitters, they came on strong to provide some key hits that made the difference in several games.

The experience of the season gave the individuals a chance to prove that they wanted and could play the game. They are a group to watch and, if the improvement and desire continues, grow stronger in the final league standings. A team that could play with the best of them. Raw talent, but getting their dreams set for the future.

STATE MEET ROUNDS OUT GOOD SEASON

"Track and field is one of the only sports in which you line up all the athletes and the first one's that finish are the all-stars." This summary by coach Dominey is a good way to highlight some of the individual accomplishments of the past track season. Although it may leave out many names that set individual bests and achieved personal goals, it does set an honor roll for the season.

Once again, the state meet held over the memorial day weekend at Mt. Hood Community College had its share of athletes wearing the purple and gold of Astoria. And as in the past, several individuals ran away with some of the top spots in the meet. Their efforts were good enough for 22 points to finish seventh out of the AA ranks.

When the girls lined up for the start of the 800 meters, freshman Mary Wollenbecker looked anxious, not because the PA announcer introduced her as Molly Wollenbecker, but because this was a race with the best in the state. All that would change. By the time that the race was completed, Mary had established her name, and her ability as the best, in a meet record time of 2:18.5.

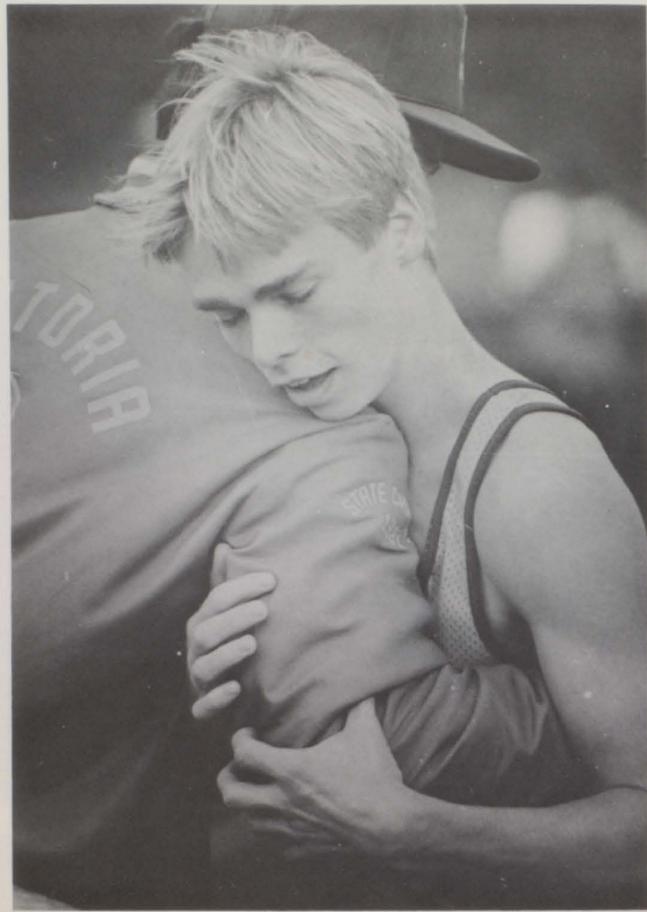

Throwing the shotput 40 feet 10 inches, Paula Gayson was good enough to bring home a fantastic accomplishment and a second place finish. Another junior, Jennifer Olson, gave it her best efforts in scoring a fourth place in the 1500 meters, an Astoria school record. Overall it was an afternoon for a lot of pride, and recognition, for the dedication in a season to remember.

GOLFERS BRING HOME TROPHIES

Following last years performance of a third place finish in state, this year had the promise of being just as exciting. With all but one member of the squad returning, the team had all the potential of again repeating a top five finish. True to form, the team found themselves again in Salem playing for a state championship, this time the results would be slightly different.

Throughout league play the individuals that made up the five, sometimes six member team, had easily taken care of the opposition. Six contests, six wins. An impressive record on anyone's scorecard. Led by the steady shooting Sean Patrick, they had confidence going into the two day district meet.

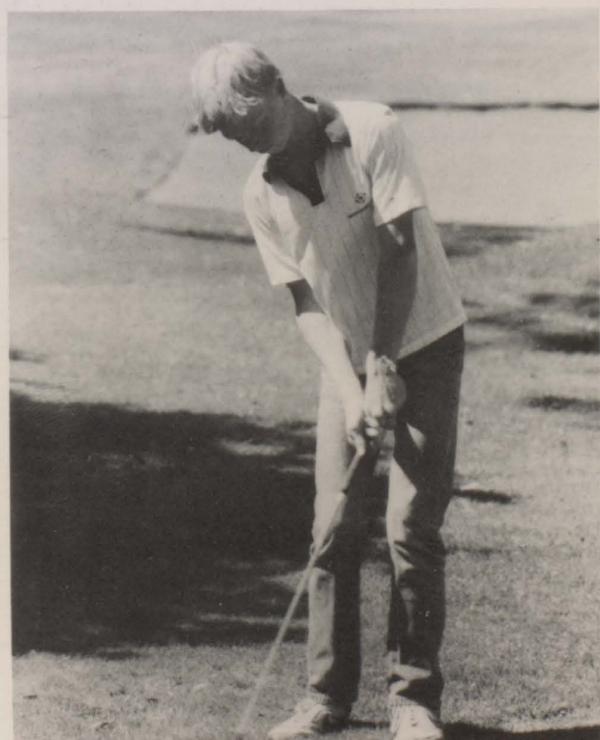

The first day of districts was held on the course in Tillamook. Going into play, eventual state champions Taft was the team to beat. After the first 18 holes Taft led the pack with a comfortable 12 stroke advantage.

Day two. The golfers came home to their own course. With a dozen strokes to make up they would need to find some magic in their clubs. After 18 holes, the Taft lead had disappeared entirely. Even score, the magic had come through. A one hole playoff decided the district championship in which Taft came out on top by one stroke.

The state title looked like it could easily be a repeat of districts after the first day, Taft and Astoria. Six strokes separated the two top spots.

By the time the dust had settled in the second day, the Astoria team had slipped to fourth. Disappointing as it may have been to the team members not to win it all, the fourth place finish is a lot better than most teams could even dream about. There was no reason to hang their heads. They proved they could play with the best.

TEAM DRIVES TO 5TH PLACE

The 1987 girls golf team pulled off a fifth place finish at districts. In spite of having a young team and many other commitments keeping two experienced seniors off the course for much of the season, the team played very competitive.

Led by four year letterman Cheryl Everton, the Fishermen completed a satisfactory season largely because of the help of the two freshman members, Shelley Patrick and Lisa Shelton. Sophomore Tory Parrish also contributed along with Senior Susan Kalandier.

Cheryl placed fifth at the metro league district tournament but missed out on a return trip to state by four strokes. The team finished with a final score of 410 for a fifth place finish and an end to a memorable season.

DEFENSE KEYS WINNING SEASON

Led by all-league performers Carrie Rieck and Tracy Norgaard, the Fishettes showed the league that they were a force that was not to be taken lightly. With only two seniors in the starting line-up, the team took some tough losses because of the lack of experience and confidence at the plate. In spite of these weaknesses, the team did a fine job of holding together and showing pride in the way that they looked on the field.

Behind some great pitching performances by Carrie, the team played some its best ball. She finished off her high school career with an impressive league record of seven wins and four losses. The highlight for her probably came against Seaside where she pitched a one hitter on her way to leading the team to a 6-0 romp.

"We were really inconsistent at the plate," summarized Tracy Norgaard, "but this was a fun team because we all got along so well." The unity of the team showed throughout the season and was very evident in the Scappoose game. "We played probably the best during that game even though we lost 1-0. It was frustrating to lose to the second place team, even though we knew we should have beat them," reflected Ginger Tarabochia.

At the sports dessert, Coach Donyari had nothing but good things to say about the individuals. "They were a good group of girls. They always gave it their best shot and tried hard every game that they played." Despite the outcome of the final league standings, it was a season that showed some very good softball.

COWAPA LEAGUE
CHAMPIONS
LEAGUE RECORD 8-2

LOOKING TO BE THE BEST

Just looking at them you would never guess that this team could ever be competitive and have a good chance of winning any game. But looks aren't a good way to size up a softball team, and you can't judge a book by its cover.

They were an odd looking group at best. Before they took their pre-game warm-ups, it would be easy to assume that this team was put out on the field without a whole lot of practice. Even the uniforms didn't match with each other. But this team didn't seem to care either way. They knew what they were there for, and when they did take the field they got down to business. The business of winning.

Even though they played a little more than half of the games that the varsity played, they used their game time to take advantage of the situation.

With a league record of 8-2, they were the

best team in the league. They had clean sweeps over Scappoose, Rainier, and Seaside. And they outscored their opponents 102-39.

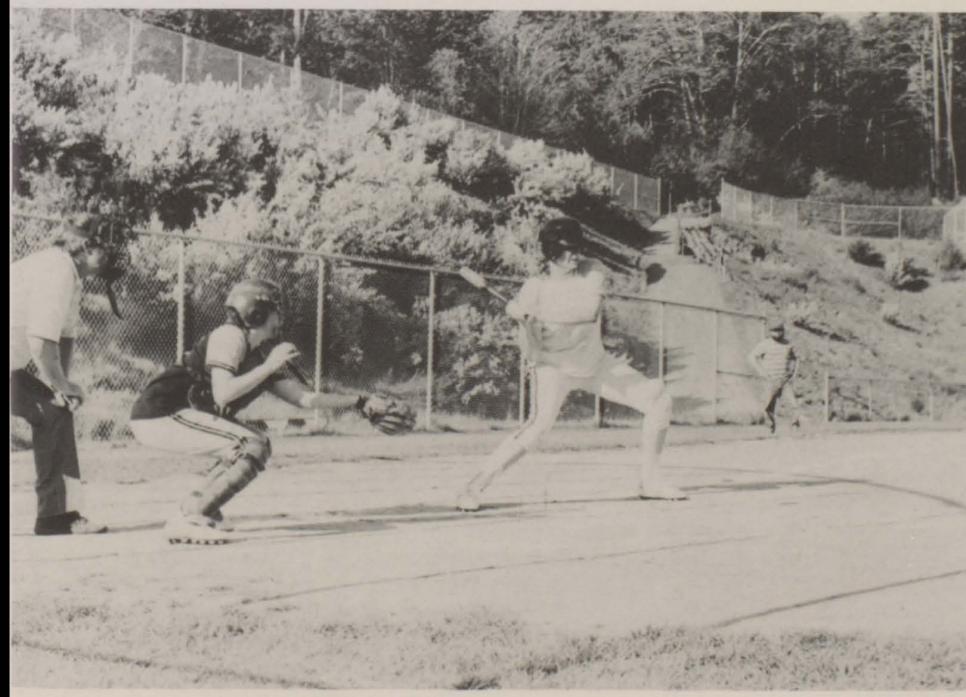

Led by some fine pitching from Cari Link, the team kept the opponents off balance. She wasn't the type of pitcher that could ever overpower the other team, she just got the job done by throwing strikes.

Most games the infield was Gayle Booker at first, Cassy Johns or Jenny Guenther at second, Josie Hemeon at shortstop, and Amy Lucas at third base, Tracie Hatt at catcher, and of course, Cari Link on the mound. The outfield of Tobi Haskell, Dar Arnoth, and Jenny Garner, could cover a lot of territory.

They were a team that never really looked impressive, but then looks aren't everything.

SERVICE CLUB

The Service Club is a venerable institution that exists to maintain a concession stand at all home athletic events. It is open to all high school students. It also sponsors the Sadie Hawkins dance in the fall. The officers were: President - Becky Fennerty; Vice President - Amy Wetherill; Secretary - Jena Parson; Treasurer - Stefanie Mathre; Sergeant-at-Arms - Paula Ferrero. Mr. Fennerty, was the club advisor once again.

REGATTA COURT

The 1987 Regatta Court was made up of Cheryl Everton-Astoria, Jenni Owen-Astoria, Kelly Kirkpatrick-Knappa, Melissa Koskelan-Warrenton, and Michelle Smits-Seaside. Selections were made by members of the Anchor Club and the Regatta Association. The princesses participated in many activities throughout the summer and reigned over the '87 Regatta, August 18 through August 23.

QUILL & SCROLL

Each year a group of Astoria High School Yearbook and Newspaper students are chosen for their superior work in some phase of journalism. Students must be involved in work on a school publication, and they must receive top grades. The National Journalism Honorary selections are made by Astor Post advisor Mr. Russ Alborn and Zephyrus advisor Mr. Scott Holmstedt. Quill and Scroll members are officially introduced at a dinner held in their honor.

ZEPHYRUS

The A.H.S. yearbook, the Zephyrus, is produced by students who earn elective credit for their work. They work in a regularly scheduled class and receive formal instruction. The class demands that students be creative, dedicated, capable, and responsible. The course is for a full year, and experienced students are encouraged to enroll for a second and third year to fill advanced positions. Students with photographic aptitude will find yearbook work an ideal outlet for their interests.

SKI CLUB

The Ski Club consists of any and all students of Astoria High School who wish to ski. The number one rule is: if a student does not know how to ski, but wishes to go on the ski trip, he or she must take a lesson. Weather conditions prevented many of the planned trips to Mt. Hood Meadows from leaving the High School parking lot so the clubs activities were very limited. The Astoria Ski Club met whenever necessary to discuss trips, rules, and various ski subjects.

The 1986-87 ski club officers were: President Monica Stull; Vice President Dale Searls; Secretary/Treasurer Nicolle Johnson; Sgt. at Arms Greg Matthews and Eric Sarin. Jeri Olson is the ski club advisor.

SCANDINAVIAN

1987's Scandinavian Court consisted of Miss Denmark - Shari Fay, Miss Norway - Kris Conyers, Miss Iceland - Susan Kalander, Miss Sweden - Julie Swenson, Miss Finland - Sylvia Johnson. Selections were made by the individual lodges and announced in February. The '87 festival was held June 19 through June 21. Celebrating its twentieth anniversary, the Scandinavian Festival consisted of booths, dancing, the optog, beer garden, entertainment, and many more activities.

LATIN CLUB

Latin Club is involved in many activities throughout the year. The annual Latin Club party is held in December. 1987 was the year for the fourth annual Toga Dance. Wearing togas and dancing, the people in attendance continued the tradition. The 1986-87 officers were: President Rhonda Dedmon; Vice President Sean Patrick; Treasurer Becky Fennerty; Secretary Dar Arnoth; Sgt. at Arms Kerrie Zell; and Dance Chairman Lisa Dessen. Latin teacher Gus Fennerty is the club's advisor.

ASTOR POST

The Astor Post staff works to put together the school newspaper. Working under the directions of class advisor Mr. Alborn, the first year students learn how to write news and feature stories, lay out pages, and write headlines. It is from this group that the following year's editors are chosen. The editors are second year students. They plan each issue, run the operations, and write stories. Together with the first year students, they make up the Astor Post staff. The 1986-87 Astor Post Editors were: Editor in chief-Curt Miller; Feature Editor and Photo Editor-Cheryl Everton; Sports Editor-Eric Viuhkola.

GERMAN

STUDENTS FROM GERMAN TWO, THREE, AND FOUR ARE ELIGIBLE FOR MEMBERSHIP IN GERMAN CLUB. GERMAN CLUB PROVIDES SOCIAL AND CULTURAL ACTIVITIES FOR MEMBERS AND SPONSORS COMPETITIONS SUCH AS THE ANNUAL CHRISTMAS LEBKUCHEN CONTEST. TRAVELS WITH BECKY

Dear Friends,

My decision to become a foreign exchange student probably has affected my life more than any other single event. I have always been interested in learning more about other countries. It is so easy to become enmeshed in one's small town environment and not realize what is happening in the rest of the world. Even after taking two foreign languages in high school, it wasn't until my sophomore year that I began to consider the possibility of being an exchange student.

My selection for the Rotary Foreign Exchange surprised me. It was difficult to leave my hometown and the security of my family for an unfamiliar country, language, and family. I lived in

Rancagua, Chile during my junior year and the experience was unforgettable. I cannot emphasize enough how much this experience helped me in terms of personal growth. Because I had lived in Astoria virtually all my life, it was an enormous personal accomplishment to distance myself from my family and friends for an entire year. My self-confidence has dramatically increased and I look forward to college with eagerness, not trepidation.

Not only did I mature and learn a new language, I was able to live in a culture different from my own. I gained many new friends and rapidly began to appreciate Chilean hospitality. As I reflect upon the past year, nearly all of my memories are pleasant. As in every year of our lives, trying times did occur. However, I strived to learn from my mistakes and not fall in the pitfall of homesickness. Perhaps the most important concept I learned was how alike people really are regardless of their nationality or cultural background. The insight I gained into how people live and feel in a country faced with political oppression has increased my own respect and appreciation for my "patria", the United States.

Best wishes from Chile,
Becky Fennerty

The traditional baccalaureate honoring the Astoria High School graduates was held May 31, 1987, at the Performing Arts Center. This was a change from the past years because it's always been held in the high school auditorium. Reverend Dan Hopkins gave some words of greeting and then the call to worship. The invocation was read by Reverend Harry Flanagan. This was the beginning of several events leading to the final destination: graduation.

1. SENIORS BOW THEIR HEADS IN PRAYER.
2. CHERYL EVERTON AND SEAN PATRICK PROUDLY SHOW THEIR HONOR STOLES.
3. JEFF FLANAGAN GIVES A PRAYER OF HOPE FOR THE CLASS OF 1987.

5. PASTOR FISCHER'S SERMON REMINDS THE CLASS TO READ BETWEEN THE LINES.
6. COREY AND CATHY PRESENT A TOUCHING SONG CALLED "SO FAR".

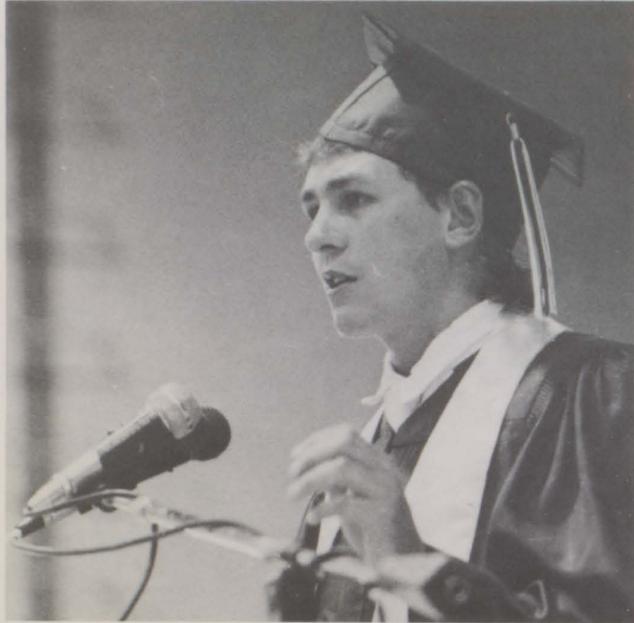

BACCALAUREATE SERVICE

The ceremony included the participation of many of the graduating seniors. Cheryl Everton gave the class a reading from a poem, Jeff Flanagan gave a moving prayer, Terrie House read a scripture, and Cathy Carson and Corey Fischer sang a memorable duet. As the ceremony drew to a close the group was able to reflect upon their past years and look on to the future.

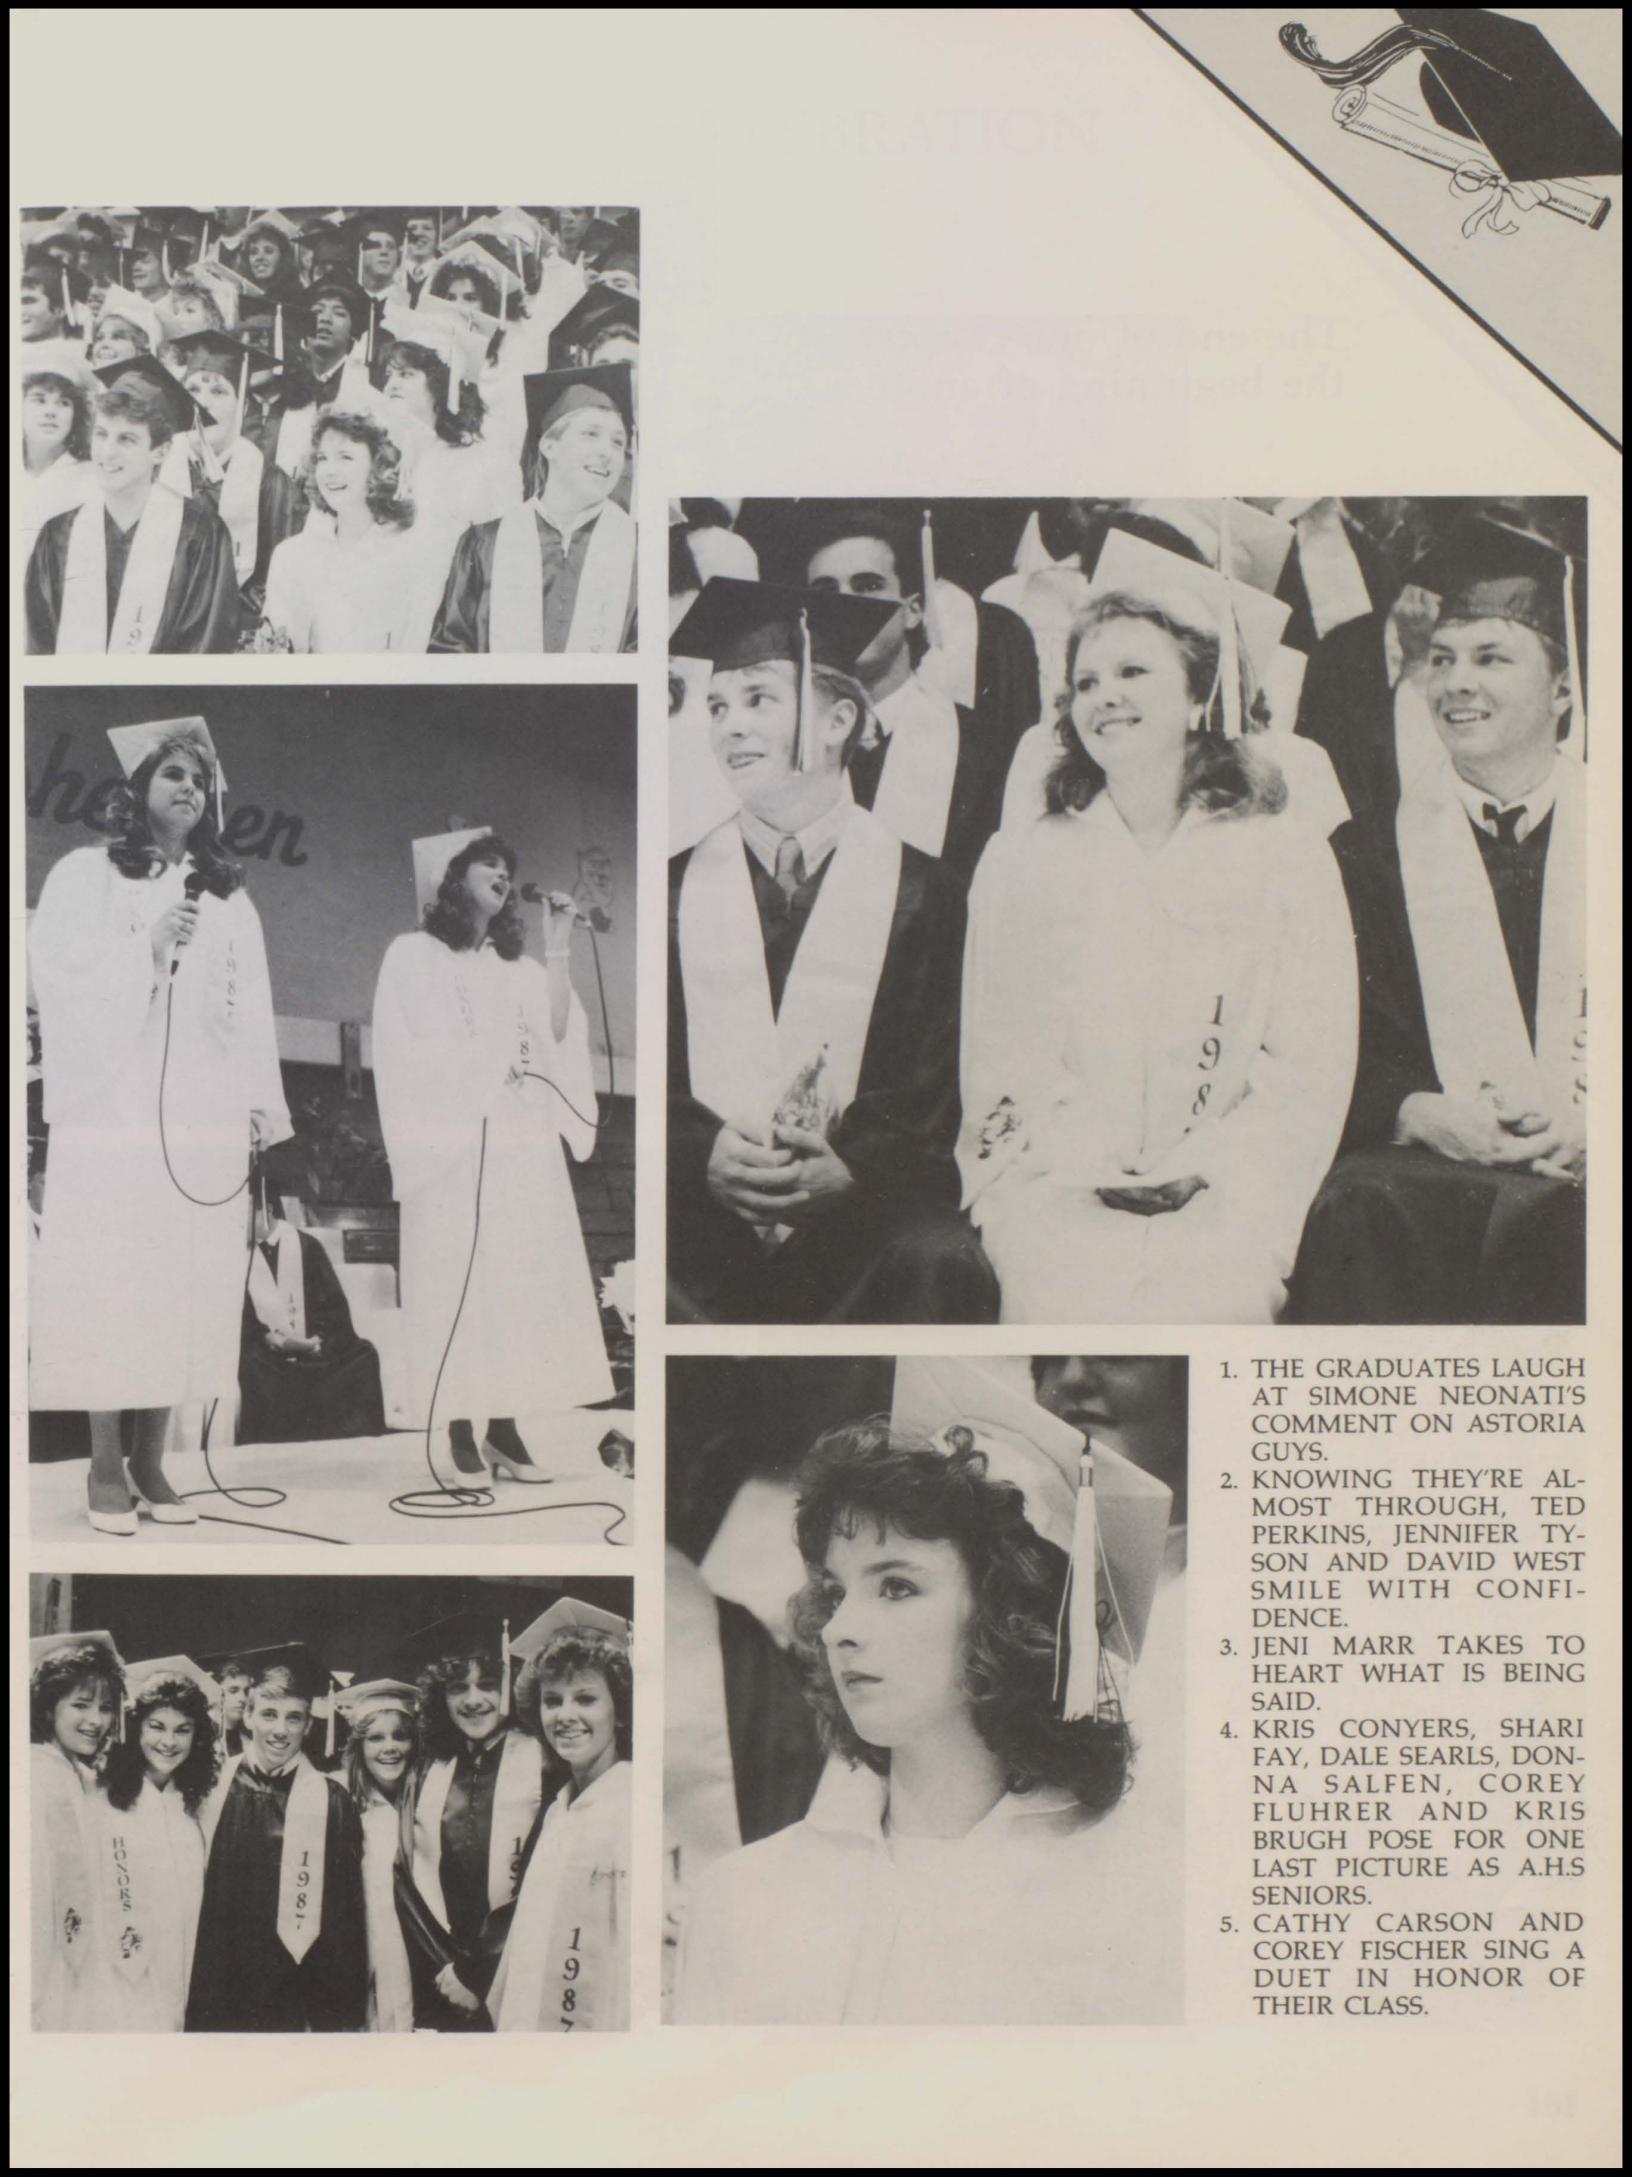

GRADUATION

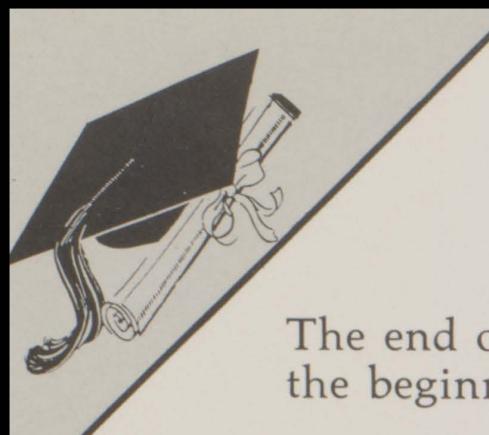

1. WALKING PROUDLY, LAVONNE BISHOP AND BRETT MORRIS MARCH TO "POMP AND CIRCUMSTANCE".

Candie Flint goes to Washington

Junior Candie Flint was chosen by U.S. Rep. Les AuCoin to be a page in the House of Representatives. "I was excited because I knew that it was a wonderful opportunity." Candie worked hard for six months delivering messages for representatives, and calling members to the phone in the House Chamber.

Immediately after school, which was just for pages, she went to work until 5:00 p.m. or until the House adjourned.

"I regretted giving up my position as Junior class President and leaving my friends, but it is an experience I couldn't pass up." An education that will never be forgotten.

"I hate bananas now!", said Palmer Coe after he and Amy Baker were victims of what they thought was a real contest. Instead, at a pep assembly, they sat alone stuffing bananas in their mouths. Unaware that everyone was laughing at them, they tried to win as Corey Fischer told them they were losing. Later, when asked to talk with some seniors, Tricia Brugh replied, "Why? Are you gonna make me eat a banana too?!"

OF '87**

750 MARINE DRIVE

ASTORIA, OREGON

Congratulations. You've just completed one journey and are about to start another. It's exciting. It's scary. It's inevitable. Like time, we also must keep moving. And like the Chinese proverb states, the journey begins with but a single step. Clatsop Community College provides a stepping-stone for many students and families seeking a quality, inexpensive alternative to attending a four-year state or private institution. For others, vocational programs provide the chance to acquire skills and knowledge to enter current and developing fields of employment. While at Clatsop, students enjoy personal attention and choose from a diversified, fully accredited curriculum. Before taking that next step, investigate the Clatsop option. It may pay to follow those who have already made the journey... one step at a time.
